Baby Trend Sit N' Stand Double Stroller Instruction Manual

MODEL: SS76072A (ONYX)

Brand: Baby Trend

1. Introduction and Overview

The Baby Trend Sit N' Stand Double Stroller offers exceptional versatility for families with two children. This stroller is designed to comfortably accommodate two passengers, providing options for both seated and standing positions. The rear seat can be removed to allow a child to use the integrated jump seat or standing platform. It features dual ratcheting canopies for sun protection, a convenient parent tray with cup holders and storage, and a spacious storage basket. Both full-sized seats include reclining seatbacks, child trays with cup holders, and 5-point safety harnesses. The padded jump seat is equipped with a 3-point safety harness. With 8-inch EVA tires for a smooth ride and lockable rear wheels for stability, this stroller is built for convenience and safety. Its compact fold design ensures easy transport and storage after use.

2. Key Features

- **Versatile Seating:** Children can sit in the front and rear seats, or stand on the rear platform.
- **Parent Convenience:** Features a parent tray with 2 cup holders and a covered storage compartment.
- **Easy Folding:** One-hand fold mechanism for quick and simple use.
- **Enhanced Safety:** Both seats include a 5-point child restraint safety harness.
- **Car Seat Compatibility:** Removable/swing-away child trays accept infant car seats.
- **Adaptable Rear Seat:** Removable rear seat converts the stroller to a traditional Sit N' Stand configuration.
- **Ample Storage:** Extra-large storage basket for essentials.
- **Sun Protection:** Extra-large canopy for sun protection.
- **Secure Braking:** Foot-activated rear brake for reliable stopping.
- **Durable Material:** Made from 100% Polyester fabric.

3. Setup and Assembly

Before first use, ensure all components are present and correctly assembled. Refer to the detailed diagrams in your printed manual for specific steps. Typically, assembly involves attaching the wheels, canopies, and child trays. Ensure all locking mechanisms are engaged securely.

3.1 Car Seat Installation

The Sit N' Stand Double Stroller is designed to accept compatible infant car seats. To install, remove the child tray from the desired seating position. Align the car seat with the stroller's attachment points and press down firmly until it clicks securely into place. Always verify the car seat is properly latched before use. The stroller can accommodate two infant car seats simultaneously.

4. Operating Instructions

4.1 Seating Configurations

The stroller offers flexible seating arrangements:

- **Two Seated Children:** Both front and rear seats can be used for children. The rear seat can be removed to reveal a padded jump seat or standing platform.
- **One Seated, One Standing:** An older child can stand on the rear platform while a younger child sits in the front seat.

Figure 4: Stroller with two children seated in forward-facing positions.

4.2 Harness System

Both full-sized seats are equipped with a 5-point safety harness. The padded jump seat has a 3-point safety harness. Always secure your child using the appropriate harness system and adjust straps for a snug fit.

4.3 Canopy Adjustment

The two ratcheting canopies can be independently adjusted to provide optimal sun protection for each child. Extend or retract the canopies as needed.

4.4 Parent Tray and Storage Basket

The parent tray at the handlebar includes two cup holders and a covered storage compartment for personal items. The extra-large storage basket located beneath the seats provides ample space for diaper bags, groceries, and other necessities.

4.5 Folding and Unfolding

The stroller features a convenient one-hand fold mechanism. To fold, engage the rear brake, locate the folding release, and follow the instructions to collapse the stroller into a compact size for transport or storage. To unfold, release the locking latch and extend the frame until it clicks into the open position.

4.6 Rear Brake System

The foot-activated rear brake provides secure stopping power. Always engage the brake when the stroller is stationary to prevent accidental movement.

5. Maintenance

To ensure the longevity and safe operation of your stroller, regular maintenance is recommended. Follow these guidelines:

- **Cleaning:** Wash, dry, and clean with care, following general guidelines for Polyester, Plastic, and Metal materials. Use mild soap and water for fabric components.
- **Wheels:** Periodically check wheels for debris and ensure they spin freely. Lubricate axles if necessary.
- **Frame:** Wipe down the metal frame with a damp cloth. Avoid harsh chemicals.

- **Storage:** Store the stroller in a dry, cool place away from direct sunlight when not in use.

6. Troubleshooting

If you encounter any issues with your stroller, consider the following common solutions:

- **Stroller difficult to push/steer:** Check wheels for debris or damage. Ensure wheels are properly inflated (if applicable) and swivel locks are disengaged for maneuverability.
- **Folding mechanism not engaging:** Ensure all seats are in the correct position and any accessories are removed or adjusted as per folding instructions.
- **Car seat not clicking in:** Verify the child tray is fully removed and the car seat is correctly aligned with the stroller's attachment points. Apply firm, even pressure.

For persistent issues, please contact Baby Trend customer support.

7. Specifications

Feature	Detail

8. Safety Information

Always prioritize safety when using the Baby Trend Sit N' Stand Double Stroller:

- Ensure children are always secured with the appropriate harness system.
- Never exceed the maximum weight recommendation of 50 pounds.
- Always engage the foot-activated rear brake when the stroller is stationary.
- Do not leave children unattended in the stroller.
- Avoid hanging heavy bags on the handlebar, as this can cause the stroller to tip.

- Regularly inspect the stroller for any loose parts, damage, or wear.
