SHOUT Color Catcher Laundry Sheets User Manual

Model: 676343

Brand: SHOUT

1. PRODUCT OVERVIEW

SHOUT Color Catcher Laundry Sheets are designed to absorb and trap loose dyes released during the wash cycle. This action helps protect your clothing from color runs and maintains the original vibrancy of fabrics. These sheets are suitable for use with all color-fast machine-washable fabrics and are effective in all water temperatures, including both High-Efficiency (HE) and standard washing machines.

The use of Color Catcher sheets can simplify your laundry routine by reducing the need for extensive sorting, allowing you to wash mixed loads of whites, lights, and colors together.

2. SAFETY INFORMATION

- **Front Loading Machines:** When using a front-loading washing machine, place the Shout Color Catcher sheet in a delicates or mesh bag and position it at the back of the drum before adding your laundry load.
- **General Use:** Always read and follow the instructions on the product packaging before use.

Legal Disclaimer: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition. This disclaimer is provided as per product information and may not directly apply to this laundry product.

3. OPERATING INSTRUCTIONS

3.1 How to Use

1. Place **1 sheet** of Shout Color Catcher into your washing machine.
2. Add your detergent and clothing to the washing machine.
3. For large loads, or loads containing new, dark, or non-colorfast garments, use **2 sheets**.
4. Start your wash cycle as usual.
5. After the wash cycle is complete, discard the used sheet(s). The sheet will show absorbed dyes, demonstrating its effectiveness.

Shout Color Catcher sheets can be used with all your favorite laundry products and are safe for use in both HE and standard washers.

3.2 Benefits of Use

- **Locks in Dyes:** Formulated to maintain the original coloring of all clothes and prevent color runs.
- **Time Saver:** Reduces the amount of time spent sorting laundry, allowing for mixed wash loads.
- **Wash Fewer Loads:** Saves water and energy by reducing the need for separate loads based on color.
