If you encounter any issues with your Playmobil City Food Truck Playset, refer to the following common solutions:

- **Difficulty with Figure Placement:** If a figure does not fit easily into the driver's seat or other positions, ensure the figure's legs are correctly aligned and bent at the hip. Avoid forcing figures into place to prevent damage.
- **Missing Pieces:** In case of missing pieces upon unboxing, refer to the contact information in the "Support" section to request replacements.
- **Loose or Detached Parts:** Re-attach any parts that may have come loose during play or transport. Most Playmobil parts are designed for secure, snap-fit assembly.
