WMF Salad Spinner (Model 0644726040) Instruction Manual

INTRODUCTION

Thank you for choosing the WMF Salad Spinner. This manual provides essential information for the safe and efficient use of your new kitchen appliance. Please read these instructions carefully before first use and keep them for future reference.

PRODUCT OVERVIEW

The WMF Salad Spinner is designed to efficiently wash and dry salad greens, ensuring crisp results for your meals. It features durable Cromargan 18/10 stainless steel construction.

Components:

- Stainless Steel Bowl
- Inner Basket (Colander)
- Lid with Spinning Mechanism
- Lid with flat top (for storage)

SETUP

- 1. Unpack:** Carefully remove all components from the packaging.
- 2. Initial Cleaning:** Before first use, wash all parts of the salad spinner with warm soapy water. Rinse thoroughly and dry.
- 3. Assemble:** Place the inner basket (colander) inside the stainless steel bowl.
- 4. Lid Placement:** Position the lid with the spinning mechanism securely on top of the bowl. Ensure it is properly aligned.

Image: The inner basket (colander) correctly placed inside the stainless steel bowl, ready for use.

OPERATING INSTRUCTIONS

- 1. Prepare Greens:** Wash your salad greens thoroughly under running water.
- 2. Load Basket:** Place the washed greens into the inner basket of the salad spinner. Do not overfill.
- 3. Secure Lid:** Place the lid with the spinning mechanism onto the bowl and ensure it is securely fastened.
- 4. Spin:** Press the pump mechanism on the lid repeatedly to initiate spinning. The inner basket will rotate rapidly, removing excess water from the greens.
- 5. Stop:** To stop the spinning, press the brake button located on the lid.
- 6. Remove Water:** Once spinning has stopped, carefully remove the lid and the inner basket. Pour out any accumulated water from the stainless steel bowl.
- 7. Serve:** Your greens are now crisp and ready to be used in your salad or stored.

Note: No official product videos from the seller were available for direct embedding. For visual demonstrations, please refer to the product's main page or other available resources.

MAINTENANCE AND CLEANING

Regular cleaning will ensure the longevity and hygiene of your WMF Salad Spinner.

General Cleaning:

- Disassemble:** Separate the lid, inner basket, and stainless steel bowl.
- Hand Washing:** Wash all components with warm water and a mild dish soap. Use a soft sponge or cloth to

prevent scratching.

- **Rinsing:** Rinse all parts thoroughly under running water to remove any soap residue.
- **Drying:** Dry all components completely before reassembling or storing to prevent water spots and bacterial growth.

Dishwasher Safety:

- The stainless steel bowl and inner basket are generally dishwasher safe.
- The lid with the spinning mechanism should be hand-washed to preserve its functionality and seals.

TROUBLESHOOTING

- **Spinner not rotating smoothly:** Ensure the inner basket is correctly seated in the bowl and the lid is securely fastened. Check for any obstructions.
- **Greens still wet after spinning:** Do not overfill the basket. Spin in smaller batches if necessary. Ensure the spinning mechanism is fully engaged.
- **Lid not sealing properly:** Check for any food debris caught in the lid's rim or the bowl's edge. Ensure the lid is aligned correctly before fastening.

SPECIFICATIONS

- **Product Dimensions:** 10.04 x 10.04 x 6.18 inches
- **Item Weight:** 3.31 pounds
- **Material:** Cromargan rust-proof stainless steel 18/10
- **Model Number:** 0644726040
- **Manufacturer:** WMF
