4. Operating Instructions

The sushi counter toy allows for imaginative role-play in creating and serving sushi. Follow these steps for interactive play:

1. **Select Ingredients:** Choose desired wooden sushi pieces, rice blocks, and fish/vegetable slices from the counter.
2. **Wrap Sushi:** Lay a felt nori strip flat. Place the chosen wooden sushi pieces onto the nori strip. The self-stick tabs will help secure the pieces together.
3. **Roll Sushi:** Use the provided sushi rolling mat to roll the nori strip and its contents into a sushi roll shape.
4. **Slice and Serve:** Once rolled, pretend to slice the sushi. Arrange the finished sushi pieces on the wooden serving tray.
5. **Add Condiments:** Place ginger and wasabi pieces alongside the sushi. Fill the dipping bowl with pretend soy sauce.
6. **Order and Eat:** Use the reusable menu card to take or place orders. Utilize the chopsticks to pick up and "eat" the sushi.

The menu card also provides visual guidance for different sushi creations.
