

## Winter Arnica 35

# Winter Arnica 35 Cream Instruction Manual

Model: Arnica 35 (8057742220984)

## 1. PRODUCT OVERVIEW

---

Winter Arnica 35 Cream is a functional cream with a high concentration of 35% Arnica Montana. It is formulated to provide soothing and decongestant effects, offering assistance in cases of bruising, contusions, sprains, and muscle strains. This cream features highly concentrated active ingredients selected to help prevent skin discomfort and imperfections, while respecting the natural balance of the epidermis through hydration and a soothing action.

The formulation is eudermic, ensuring high skin compatibility, making it suitable for all skin types, including sensitive skin. It is dermatologically tested and free from silicones, petrolatum, colorants, alcohol, parabens, formaldehyde releasers, SLS, SLES, GMOs, and animal derivatives.

## 2. KEY FEATURES AND BENEFITS

- **High Concentration:** Contains 35% Arnica Montana for effective action.
- **Soothing and Decongestant:** Helps alleviate discomfort from bruises, contusions, sprains, and muscle strains.
- **Skin Compatibility:** Eudermic formulation, highly compatible with all skin types, including delicate ones.
- **Pure Formulation:** Free from silicones, petrolatum, colorants, alcohol, parabens, formaldehyde releasers, SLS, SLES, GMOs, and animal derivatives.

- **Hydrating Action:** Supports the natural balance of the epidermis, providing hydration.
- **Dermatologically Tested:** Ensures safety and efficacy for skin application.

### 3. INGREDIENTS

---

**Active Ingredient:** Arnica Montana (35% concentration).

**Free From:** Silicones, petrolatum, colorants, alcohol, parabens, formaldehyde releasers, SLS, SLES, GMOs, animal derivatives.

### 4. USAGE INSTRUCTIONS

---

#### 4.1 Application

1. Cleanse the affected skin area before application.
2. Apply a small amount of Winter Arnica 35 Cream to the desired area.
3. Gently massage the cream into the skin until absorbed.
4. Repeat application as needed, typically 2-3 times a day, or as advised by a healthcare professional.

*Note: The cream is dense, so a small amount is usually sufficient.*

### 5. SAFETY INFORMATION AND WARNINGS

---

- **Keep out of reach of children.**
- For external use only. Do not ingest.
- Avoid contact with eyes and mucous membranes. In case of contact, rinse thoroughly with water.
- Do not apply to open wounds or broken skin.
- Discontinue use if irritation, redness, or discomfort occurs and consult a healthcare professional.
- If you have known allergies to Arnica or any other ingredients, do not use this product.

### 6. STORAGE

---

Store in a cool, dry place, away from direct sunlight and heat. Ensure the cap is tightly closed after each use to maintain product integrity.

### 7. SPECIFICATIONS

---

|                           |                 |
|---------------------------|-----------------|
| <b>Brand</b>              | Winter          |
| <b>Model Name</b>         | Arnica 35       |
| <b>Model Number</b>       | 8057742220984   |

## 8. TROUBLESHOOTING

---

- **Difficulty Dispensing:** If the cream is very dense and hard to squeeze from the tube, try warming the tube slightly in your hands or gently kneading it to soften the contents.
- **Skin Irritation:** If you experience any skin irritation, redness, or itching after application, discontinue use immediately and wash the affected area with mild soap and water. Consult a healthcare professional if symptoms persist.
- **No Perceived Effect:** Ensure consistent application as per instructions. Individual results may vary. If concerns persist, consult a healthcare professional.

## 9. WARRANTY AND SUPPORT

---

Specific warranty information for Winter Arnica 35 Cream is not provided in this manual. For any product-related inquiries, support, or to report an issue, please contact the manufacturer directly through their official website or the retailer from whom the product was purchased.
