PRODUCT FEATURES

- **Premium Blend:** Made with a blend of premium high-quality coffee beans, expertly roasted for a distinctive round taste.
- **Convenient Storage:** Features a space-efficient tin, designed for easy storage in cupboards or on busy kitchen counters.
- **Secure Sealing:** Equipped with a "Click-to-Close" lid for convenient, spill-free re-sealing, helping to maintain freshness.
- **Rich Flavor:** Through a careful selection of beans, NESCAFÉ GOLD BLEND delivers a full and rich-flavored cup.
- **Responsibly Sourced:** Made with 100% responsibly sourced coffee.

PREPARATION INSTRUCTIONS

Follow these steps to prepare a single mug of Nescafe Gold Blend Coffee:

1. **Measure Coffee:** Add one rounded teaspoon (approximately 1.8g) of Nescafe Gold Blend Coffee to your mug.
2. **Add Hot Water:** Pour 200ml of hot (not boiling) water into the mug.
3. **Stir:** Stir gently until the coffee is fully dissolved.
4. **Customize:** Add milk, sugar, or other preferred additions to taste.

This coffee can be enjoyed hot or cold, and can also be used as an ingredient to add coffee flavor to various recipes.

Make your break *golden*

STORAGE AND MAINTENANCE

Proper storage ensures the freshness and quality of your Nescafé Gold Blend Coffee:

- **Seal Properly:** Always ensure the "Click-to-Close" lid is securely sealed after each use to prevent air exposure.
- **Location:** Store the tin in a cool, dry place, away from direct sunlight, heat, and moisture.
- **Shelf Life:** The product has a shelf life of 90 days once opened, provided it is stored correctly. Refer to the packaging for the best-before date.

Rich aroma & smooth taste

750g makes approx. 416 mugs

Flavor	Coffee
Caffeine Content	Caffeinated
Coffee Roast Level	Dark Roast
Container Type	Tin
Unit Count	26.4 Ounce (750g)
Item Weight	1027 Grams (2.26 Pounds)
Product Dimensions	0.08 x 0.08 x 0.04 inches
Product Shelf Life	90 Days (after opening, if stored correctly)

TROUBLESHOOTING

- **Issue: Coffee tastes too weak or too strong.**

Solution: Adjust the amount of coffee used per mug. For a stronger taste, add slightly more than one rounded teaspoon; for a milder taste, use slightly less.

- **Issue: Coffee does not dissolve completely.**

Solution: Ensure the water is hot enough (but not boiling) and stir thoroughly for at least 10-15 seconds.

- **Issue: Coffee seems stale or has lost its aroma.**

Solution: Verify that the "Click-to-Close" lid was securely sealed after each use. Store the tin in a cool, dry place away from direct light and strong odors. Check the best-before date on the packaging.

- **Issue: Product packaging arrived damaged.**

Solution: If the product packaging is compromised upon arrival, contact the retailer or Nescafe customer support immediately for assistance.

SUPPORT INFORMATION

For further assistance, product inquiries, or to report any issues, please contact Nescafe customer support through their official website or the contact information provided on the product packaging.

Note: Specific contact details may vary by region. Please refer to the Nescafe official website for the most accurate and up-to-date support information.
