Soundstream VR-65B

Soundstream VR-65B User Manual

Model: VR-65B | Brand: Soundstream

Double-DIN Bluetooth DVD/CD/AM/FM in-Dash Car Stereo with 6.2" Smart Sense Screen

INTRODUCTION

The SoundStream VR-65B In-Dash Receiver features AptiX operating systems, utilizing advanced microprocessors and a central processing unit for rapid reaction times in automotive multimedia entertainment systems. This unit includes a Smart Sense capacitive glass touch panel, Bluetooth V4.0 for hands-free calling, and Adaptive Fast Charging for compatible mobile devices.

Key features include:

- Power output: peak: 50 watts x 4 channels
- Built-in Bluetooth technology for hands-free talking and audio streaming
- A2DP: Advanced Audio Distribution Profile allows high quality audio to be streamed from an audio device to the car stereo
- CD/CD-R/CD-RW, MP3 playback

Bluetooth 4.0 with Enhanced Data Rate (EDR) provides increased data transfer rates up to 2.1 Mbit/s, improving clarity and reducing distortion during calls and wireless MP3 audio playback. Most Bluetooth-enabled smartphones can transfer phone book contacts, view recent call logs, and stream MP3 audio tracks. The USB Adaptive Fast Charge technology can recharge enabled mobile device batteries from zero to up to 50% in approximately 30 minutes (USB cable not included).

WHAT'S IN THE BOX

Upon opening the package, please verify that all components are present:

- Receiver
- Hardware (mounting accessories)
- Wiring Harness

- User Manual

SETUP AND INSTALLATION

Proper installation is crucial for optimal performance and safety. It is highly recommended to have this unit installed by a qualified professional car audio technician.

Pre-Installation Checklist:

- Disconnect the vehicle's negative battery terminal before beginning installation to prevent electrical shorts.
- Ensure the mounting location is suitable for a double-DIN unit.
- Gather all necessary tools (wire strippers, crimpers, screwdrivers, electrical tape).

Wiring Connections:

Refer to the included wiring harness diagram for specific connections. Common connections include:

- **Power (Yellow):** Constant 12V supply.
- **Ignition (Red):** Switched 12V supply (turns on/off with vehicle ignition).
- **Ground (Black):** Connect securely to a metal part of the vehicle chassis.
- **Speaker Wires:** Connect to appropriate vehicle speakers (ensure correct polarity).
- **Antenna (Blue/White):** Remote turn-on for power antenna or amplifier.
- **Parking Brake (Light Green):** Connect to the vehicle's parking brake switch for video playback safety.
- **Reverse Gear (Brown):** For optional rearview camera input.

After all connections are made, carefully mount the unit into the dashboard. Reconnect the vehicle's negative battery terminal and test the unit's functions.

OPERATING INSTRUCTIONS

General Operation:

- **Power On/Off:** Press the power button (usually located on the left side panel) to turn the unit on or off.
- **Volume Control:** Use the volume up/down buttons on the left side panel or the on-screen controls.
- **Smart Sense Screen:** The 6.2-inch capacitive touch screen allows for intuitive navigation. Tap icons to select functions.
- **Home Button:** Tap the "HOME" icon (top left) to return to the main menu.

Radio Operation (AM/FM):

- From the home screen, tap the "Radio" icon.
- Use the on-screen arrows to tune frequencies or the "BAND" button to switch between FM1, FM2, FM3, and AM.
- Press and hold a preset number to save the current station. Tap to recall.

Figure 2: Close-up view of the Soundstream VR-65B's 6.2-inch Smart Sense screen, highlighting the intuitive home menu interface.

Disc Playback (DVD/CD):

- Insert a DVD or CD into the disc slot. The unit will automatically switch to Disc mode.
- Use the on-screen controls for Play/Pause, Skip Track, Fast Forward/Rewind.

Bluetooth Operation:

- From the home screen, tap the "BT" (Bluetooth) icon.
- On your mobile device, search for Bluetooth devices and select "VR-65B".
- Enter the pairing code (usually "0000" or "1234") if prompted.
- Once paired, you can make/receive calls and stream audio (A2DP).
- Use the on-screen dial pad for calls or access your phonebook (if supported by your device).

USB Playback:

- Insert a USB drive into the USB port.
- The unit will automatically switch to USB mode or you can select the "USB" icon from the home screen.
- Navigate through folders and files using the touch screen. Supports MP3 playback.
- The USB port also supports Adaptive Fast Charging for compatible devices.

MAINTENANCE

To ensure the longevity and optimal performance of your Soundstream VR-65B, follow these maintenance guidelines:

- **Cleaning the Screen:** Use a soft, lint-free cloth to gently wipe the touch screen. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid abrasive materials or harsh

chemicals.

- **Cleaning the Unit:** Use a dry, soft cloth to clean the exterior of the unit. Do not use liquid cleaners directly on the unit.
- **Disc Care:** Handle discs by their edges. Keep them clean and free of scratches. Store discs in their cases when not in use.
- **Temperature:** Avoid exposing the unit to extreme temperatures (very hot or very cold) for extended periods, as this can affect performance and lifespan.
- **Ventilation:** Ensure that the unit's ventilation openings are not blocked to prevent overheating.

TROUBLESHOOTING

If you encounter issues with your VR-65B unit, please refer to the following common troubleshooting steps before seeking professional assistance:

Problem	Possible Cause	Solution
No Power	Blown fuse, incorrect wiring, loose power connection.	Check vehicle's fuse box and the unit's fuse. Verify all power and ground connections are secure.
No Sound	Volume too low, mute activated, incorrect speaker wiring, amplifier issue.	Increase volume. Check if mute is on. Verify speaker connections and polarity. Ensure external amplifier (if used) is powered on.
Bluetooth Not Connecting	Device not in pairing mode, incorrect pairing code, interference.	Ensure Bluetooth is enabled on both devices and in pairing mode. Re-enter pairing code. Move closer to the unit. Try resetting Bluetooth on both devices.
Disc Playback Issues	Dirty or scratched disc, unsupported disc format, disc inserted incorrectly.	Clean the disc. Try a different disc. Ensure disc is inserted correctly. Refer to specifications for supported formats.
Touch Screen Unresponsive	System freeze, temporary software glitch.	Perform a soft reset (locate the small reset button, usually requires a pointed object like a pen tip). If issue persists, disconnect battery for a few minutes.

If these steps do not resolve the issue, please contact Soundstream customer support or consult a qualified technician.

SPECIFICATIONS

Feature	Detail
Model Number	VR-65B
Chassis Size	Double-DIN
Display Type	LCD
Screen Size	6.2 Inches
Display Resolution	800x480

Feature	Detail
Item Weight	3 pounds

WARRANTY INFORMATION

The Soundstream VR-65B comes with a **1-year manufacturer's warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims.

The warranty may be subject to specific terms and conditions, including requirements for professional installation for certain claims, especially if purchased from an online retailer. For detailed warranty information and to initiate a claim, please refer to the official Soundstream website or contact their customer support directly.

CUSTOMER SUPPORT

For further assistance, technical support, or service inquiries regarding your Soundstream VR-65B, please contact Soundstream customer support through their official channels. You may find contact information on the Soundstream website or within the packaging materials.

It is advisable to have your product model number (VR-65B) and purchase details ready when contacting support.
