

babyletto Harlow

Babyletto Harlow Acrylic 3-in-1 Convertible Crib Instruction Manual

MODEL: HARLOW (WHITE WITH ACRYLIC)

Brand: babyletto | ASIN: B01BLBY88Q

1. Product Overview

The Babyletto Harlow 3-in-1 Convertible Crib is designed to provide a safe and adaptable sleeping environment for your child. It features clear acrylic slats for an unobstructed view and converts from a crib to a toddler bed and a daybed, accommodating your child's growth. Constructed from sustainable New Zealand pine wood and recyclable acrylic, this crib is Greenguard Gold Certified, ensuring low chemical emissions for a healthier indoor environment.

2. Key Features

- **Modern Clear View Design:** Features unique acrylic slats on a solid wood platform for an unobstructed view of your child.
- **GREENGUARD Gold Certified:** Rigorously tested for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air.
- **3-in-1 Convertibility:** Transitions from a crib to a toddler bed and daybed. A toddler bed conversion kit is included.
- **Adjustable Mattress Height:** Offers 4 adjustable mattress positions to adapt as your baby grows, from newborn to standing.
- **Child-Safe Finish:** Finished with a non-toxic, multi-step painting process that is lead and phthalate safe.
- **Sustainable Design:** Made with clear recyclable acrylic and sustainably sourced New Zealand pine wood.
- **Hidden Hardware Construction:** Ensures no visible screws or bolts on the furniture exterior for a clean aesthetic.

3. Setup and Assembly

Assembly of the Babyletto Harlow crib is required. Please ensure all components are present before beginning. Follow the detailed instructions provided in the separate assembly guide included with your product packaging. It is recommended to have two adults for assembly.

General Assembly Steps:

1. Unpack all components and verify against the parts list in your assembly guide.
2. Identify the front, back, and side panels.
3. Attach the side panels to the headboard and footboard using the provided hardware.
4. Install the mattress support at the desired height. The crib offers 4 adjustable mattress positions to accommodate your child's developmental stages.
5. Ensure all connections are secure and hardware is tightened appropriately. Do not overtighten.

Image: Side view of the crib with approximate dimensions: 53.5 inches length, 30 inches width, and 34.5 inches height.

4. Operating Instructions (Conversions)

The Babyletto Harlow crib is designed to grow with your child, converting into a toddler bed and a daybed. A toddler bed conversion kit is included.

4.1. Crib Mode

In crib mode, ensure the mattress support is set to an appropriate height for your child's age and developmental stage. For newborns, the highest setting is typically used for easier access. As your child grows and becomes more mobile (e.g., learning to sit up or stand), lower the mattress support to prevent them from climbing out.

GROWS WITH BABE

4 adjustable mattress heights

4.2. Toddler Bed Conversion

When your child is between 18 months and 3 years of age, or when they begin to climb out of the crib, it is time to convert it to a toddler bed. Refer to your assembly guide for specific instructions on removing one of the crib sides and installing the included toddler bed rail.

4.3. Daybed Conversion

Once your child is ready, the toddler bed can be further converted into a daybed. This typically involves removing the toddler rail, creating an open-front bed suitable for older toddlers or young children. Consult your assembly guide for precise steps.

3-IN-1 CONVERTIBLE CRIB

thoughtfully designed to transition
as your babe grows

5. Maintenance

Proper care and maintenance will ensure the longevity and safety of your Babyletto Harlow crib.

- **Cleaning:** Wipe the crib surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, especially on the acrylic slats, as they may cause damage or scratching.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight and secure. Do not overtighten.
- **Acrylic Care:** To maintain the clarity of the acrylic slats, use a soft, lint-free cloth and a mild soap and water solution, or a specialized acrylic cleaner. Avoid paper towels, which can scratch the surface.
- **Storage:** If storing the crib, disassemble it carefully and store components in a dry, temperature-controlled environment to prevent warping or damage.

6. Troubleshooting

If you encounter any issues with your Babyletto Harlow crib, consider the following common troubleshooting steps:

- **Wobbling or Instability:** Ensure all bolts and screws are securely tightened. Check that the crib is on a level surface.
- **Difficulty with Conversions:** Re-read the specific conversion instructions in your assembly guide. Ensure all correct parts are being used for the desired configuration.
- **Damaged or Missing Parts:** Do not attempt to use the crib with damaged or missing parts. Contact Babyletto customer support for replacement parts.

For further assistance, please refer to the contact information in the Warranty and Support section.

7. Specifications
