Mazda Mazda 5

2013 Mazda 5 Owner's Manual

Comprehensive Guide for Your Vehicle

Introduction

This owner's manual is designed to help you understand the features, operation, and maintenance of your 2013 Mazda 5. Reading this manual thoroughly will ensure safe and enjoyable driving, and help you maintain your vehicle in optimal condition. Keep this manual in your vehicle for quick reference.

This image displays the front cover of the official 2013 Mazda 5 Owners Manual, featuring the Mazda logo and vehicle model.

Getting Started

Vehicle Entry and Security

- **Keyless Entry System:** Use the remote transmitter to lock or unlock doors and the liftgate. Press the lock button once to lock all doors. Press the unlock button once to unlock the driver's door, and twice to unlock all doors.
- **Ignition Switch:** Insert the key and turn to ACC (accessories), ON (ignition on), or START (engine crank).
- **Seat Adjustment:** Adjust the driver's seat for optimal driving position using the levers located on the side and front of the seat.
- **Steering Wheel Adjustment:** Pull the lever under the steering column to adjust the steering wheel tilt and telescope. Securely lock it back into place after adjustment.

Dashboard Overview

Familiarize yourself with the instrument cluster, warning lights, and control panel. Refer to the detailed diagrams in the physical manual for specific locations of each indicator and control.

Operating Your Mazda 5

Starting and Driving

1. Ensure the parking brake is engaged and the transmission is in Park (P) or Neutral (N).
2. Press the brake pedal firmly.
3. Turn the ignition key to the START position. Release the key once the engine starts.
4. Allow the engine to warm up briefly before driving.

Transmission

The 2013 Mazda 5 may be equipped with either a manual or automatic transmission. Refer to your specific vehicle's configuration for detailed operating instructions.

- **Automatic Transmission:** Use the shift lever to select P (Park), R (Reverse), N (Neutral), D (Drive), or M (Manual mode, if equipped).
- **Manual Transmission:** Use the clutch pedal and gear shift lever to select gears.

Climate Control System

Adjust the temperature, fan speed, and air distribution using the controls on the center console. The system includes settings for heating, cooling, and defrosting.

Audio System

Your vehicle is equipped with an audio system. Refer to the dedicated section in the full manual for instructions on radio operation, CD player, and auxiliary input usage.

Maintenance

Regular maintenance is crucial for the longevity and performance of your Mazda 5. Adhere to the maintenance schedule outlined in your official service booklet.

Fluid Checks

- **Engine Oil:** Check oil level regularly using the dipstick. Add oil if necessary, ensuring it meets Mazda specifications.
- **Coolant:** Verify coolant level in the reservoir when the engine is cool.
- **Brake Fluid:** Ensure the brake fluid level is between the MIN and MAX marks.
- **Windshield Washer Fluid:** Keep the reservoir filled for clear visibility.

Tire Care

- **Tire Pressure:** Check tire pressure monthly, including the spare. Refer to the tire placard on the driver's side door jamb for recommended pressures.
- **Tire Rotation:** Rotate tires according to the recommended schedule to ensure even wear.
- **Tread Depth:** Inspect tire tread for wear indicators. Replace tires when tread depth is insufficient.

Battery Maintenance

Periodically inspect battery terminals for corrosion. Ensure the battery is securely mounted. If the vehicle will be stored for an extended period, consider using a battery tender.

Troubleshooting Common Issues

This section addresses common issues you might encounter with your Mazda 5. For more complex problems, consult a certified Mazda service technician.

Symptom	Possible Cause	Solution
Engine will not start	Dead battery, out of fuel, faulty starter	Check battery terminals, add fuel, jump-start battery, or seek professional assistance.
Warning light illuminated	Low fluid, system malfunction	Identify the specific warning light and consult the manual for its meaning. Address the underlying issue or contact service.
Brakes squeal or grind	Worn brake pads, foreign object	Have brakes inspected and serviced by a qualified technician immediately.

Specifications

Key technical specifications for the 2013 Mazda 5 are provided below. Note that specifications may vary based on trim level and region.

- **Engine Type:** 2.5L DOHC 16-valve 4-cylinder
- **Horsepower:** Approximately 157 hp
- **Torque:** Approximately 163 lb-ft
- **Fuel Tank Capacity:** Approximately 15.9 gallons (60 liters)
- **Tire Size:** Varies by trim (e.g., P205/55R16, P205/50R17)
- **Seating Capacity:** 6 passengers

For a complete list of specifications, including dimensions, weights, and fluid capacities, refer to the detailed specifications section in your full owner's manual.

Warranty and Support

Your 2013 Mazda 5 is covered by a limited warranty. Details regarding warranty coverage, terms, and conditions are provided in a separate warranty information booklet that came with your vehicle. For warranty claims or service, please contact an authorized Mazda dealership.
For additional support, including roadside assistance information or to locate a Mazda service center, please refer to the contact information provided in your vehicle's documentation or visit the official Mazda website.
