Storage and Maintenance

To maintain the freshness and potency of your FGO Organic Dried Lavender Flowers, store them in their original resealable bag. Troubleshooting

- **Tea Flavor Too Weak:** If your tea lacks desired strength, increase the steeping time or use a slightly larger quantity of lavender flowers. Ensure water is at a full boil before pouring.
- **Tea Flavor Too Strong/Bitter:** If the tea is too strong or has a soapy taste, reduce the steeping time. Lavender can become bitter if over-steeped or exposed to excessively high heat for too long in culinary applications.
- **Loss of Aroma:** Ensure the bag is properly sealed after each use and stored in a cool, dry place away from direct sunlight and strong-smelling items.
