# Eureka 101 Dalmatians Chart Set User Manual

**Model: 847531**

## Introduction

Thank you for choosing the Eureka 101 Dalmatians Chart Set. This set is designed to bring a fun and engaging theme to educational environments, helping to organize tasks, celebrate milestones, and encourage positive behavior. This manual provides detailed instructions on the components, setup, usage, and care of your chart set.

## Components

The Eureka 101 Dalmatians Chart Set includes four distinct charts, each measuring approximately 17 inches by 22 inches, designed for various classroom or home educational uses:

- **1 Job Chart:** A chart designed to assign and track responsibilities or tasks.
- **1 Welcome Frame:** A decorative frame ideal for welcoming new students or displaying important

announcements.

- **1 Birthday Chart:** A chart to record and celebrate birthdays throughout the year.
- **1 Reward Grid:** A grid for tracking progress towards goals and rewarding achievements.

## Setup

The Eureka 101 Dalmatians Chart Set requires minimal setup. Follow these steps to prepare your charts for use:

1. **Unpack:** Carefully remove all four charts from their packaging. Ensure no charts are creased or damaged during unpacking.
2. **Flatten:** If charts are slightly rolled or bent from packaging, gently flatten them. You may place them under

heavy, flat objects for a few hours to ensure they lie flat.

3. **Mount:** Determine the desired location for each chart. Use appropriate mounting materials (e.g., tape, thumbtacks, adhesive putty, or laminating and hanging with string) suitable for your wall surface and the chart material. Ensure charts are securely fastened to prevent falling.

## Operating / Usage

Each chart in the set serves a unique purpose to enhance organization and engagement:

### Job Chart

Use the Job Chart to assign daily or weekly tasks to individuals. Write names and corresponding jobs in the designated bone-shaped spaces. This helps foster responsibility and teamwork.

### Welcome Frame

The Welcome Frame can be used to greet new members, display a class motto, or highlight important announcements. Insert a photo or a written message into the central archway to personalize it.

### Birthday Chart

Record the birthdays of individuals on the Birthday Chart. Write names in the paw print sections corresponding to their birth month. This creates a visual reminder for celebrations throughout the year.

### Reward Grid

The Reward Grid is ideal for tracking progress towards goals or rewarding positive behavior. Use stickers, checkmarks, or small drawings in the grid squares to mark achievements. This provides a visual incentive for reaching targets.

## Maintenance

To ensure the longevity and appearance of your Eureka 101 Dalmatians Chart Set, follow these maintenance guidelines:

- **Cleaning:** If charts become dusty, gently wipe them with a soft, dry cloth. Avoid using abrasive cleaners or excessive moisture, which could damage the print or material.
- **Writing Utensils:** For writing on the charts, use dry-erase markers if the charts are laminated, or permanent markers if they are not and you intend for the writing to be permanent. Test a small, inconspicuous area first if unsure.
- **Storage:** When not in use, store charts flat or gently rolled to prevent creasing. Keep them in a cool, dry place away from direct sunlight to prevent fading.
- **Handling:** Handle charts by their edges to avoid leaving fingerprints or damaging the surface.

## Troubleshooting

While the chart set is simple in design, here are some common concerns and their solutions:

- **Charts Not Lying Flat:** If charts remain curled after unpacking, place them under heavy books or flat objects for 24-48 hours. Gentle heat (e.g., from a hairdryer on a low setting, held at a distance) can also help, but use with extreme caution to avoid damage.
- **Fading Colors:** Exposure to direct sunlight over extended periods can cause colors to fade. Position charts in areas with indirect light or consider laminating them for added UV protection.
- **Difficulty Erasing Marks:** If using dry-erase markers on laminated charts and marks are difficult to remove, try a small amount of rubbing alcohol on a soft cloth. Always test on an inconspicuous area first.
