## Pyle PSUFM1235BT

# Pyle PSUFM1235BT Bluetooth PA Loudspeaker Karaoke System

## USER MANUAL

### Introduction

---

This manual provides detailed instructions for the setup, operation, and maintenance of your Pyle PSUFM1235BT Bluetooth PA Loudspeaker Karaoke System. Please read this manual thoroughly before using the product to ensure proper function and to maximize your user experience. Keep this manual for future reference.

### What's in the Box

---

- Active Speaker Tower
- Wireless Handheld Microphone
- Power & Audio Connection Cables
- Remote Control

### Product Overview

---

**Figure 1:** Front view of the speaker system, showcasing the dual illuminated woofers and overall design.

**Figure 2:** Top control panel, featuring volume, bass, treble, echo controls, microphone inputs, and media playback buttons.

**Figure 3:** Side view of the speaker system, highlighting the integrated handles for portability.

**Figure 4:** Rear view, displaying

the power input, master volume, and other connection ports.

## Setup

---

1. **Unpacking:** Carefully remove all components from the packaging. Retain packaging for future transport or storage.
2. **Power Connection:** Connect the provided power cable to the AC IN port on the rear of the speaker and then to a standard wall outlet (110/220V).
3. **Initial Power On:** Press the POWER button on the control panel to turn on the system. The display will illuminate.
4. **Microphone Setup:**
  - **Wireless Microphone:** Insert 2 x AA batteries (not included) into the wireless microphone. Turn on the microphone.
  - **Wired Microphones:** Connect up to three 1/4" wired microphones (not included) to the MIC1, MIC2, or MIC3 inputs on the top panel.

## Operating Instructions

---

### Power On/Off

Press the **POWER** button on the top control panel to turn the unit on or off.

### Bluetooth Connectivity

1. Turn on the speaker system.
2. Press the **MODE** button on the control panel until 'BLUETOOTH' appears on the digital display. The unit is now in pairing mode.
3. On your mobile device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select 'PYLE PSUFM1235BT' from the list of devices. Once paired, the unit will confirm with an audible tone.
5. You can now stream audio wirelessly from your device to the speaker system.

### USB/SD Card Playback

1. Insert a USB flash drive or SD memory card into the corresponding slot on the top control panel.
2. Press the **MODE** button to select USB or SD mode. The system will automatically begin playing compatible audio files (e.g., MP3).
3. Use the **PREV**, **PLAY/PAUSE**, and **NEXT** buttons to control playback.

### FM Radio

1. Press the **MODE** button to select FM radio mode.
2. Press and hold the **PLAY/PAUSE** button to initiate an automatic scan for available FM stations. The system will save detected stations.
3. Use the **PREV** and **NEXT** buttons to navigate through saved stations.

### Microphone Usage & Recording

- Adjust the **MIC.VOL** knob to control the microphone volume.
- Use the **ECHO** knob to add an echo effect to the microphone audio.

- To record microphone audio to a connected USB or SD card, press the **REC** button. Press again to stop recording.

## DJ Party Lights

The speaker features multi-color flashing DJ LED lights. These lights activate automatically when the unit is powered on. There is no specific control button for the lights; they are integrated into the speaker's operation.

## Audio Adjustments

- Use the **VOLUME** knob to adjust the master volume of the system.
- Adjust the **BASS** and **TREBLE** knobs to fine-tune the audio output to your preference.

## Media Integration

---

### Official Product Video

Your browser does not support the video tag.

This video provides a visual overview of the Pyle PSUFM1235BT Bluetooth PA Loudspeaker Karaoke Entertainment System, demonstrating its features and functionality, including the wireless microphone.

## Maintenance

---

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the unit. Do not use liquid cleaners or aerosols.
- **Storage:** Store the unit in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Replacement:** Replace batteries in the wireless microphone and remote control as needed. Ensure correct polarity.

## Troubleshooting

---

Problem	Possible Solution
No power	Ensure the power cable is securely connected to both the unit and a working power outlet. Check the power switch.
No sound output	Check the master volume and individual source volumes. Ensure audio cables are correctly connected if using external sources.
Bluetooth not connecting	Ensure the unit is in Bluetooth mode and discoverable. Turn off and on Bluetooth on your device. Move your device closer to the speaker.
Microphone not working	Check microphone batteries (for wireless mic) or cable connection (for wired mic). Adjust MIC.VOL knob.
Distorted sound	Reduce the volume. Check audio source quality. Adjust Bass and Treble settings.
