Care and Storage

To maintain the condition and value of your Golem-EX collectible card, proper care and storage are essential.

Handling

- Always handle the card with clean, dry hands to prevent oils and dirt from transferring to its surface.
- Avoid bending, creasing, or tearing the card.
- Consider using soft cotton gloves when handling for maximum protection.

Protection

- For optimal protection, place the card immediately into a soft sleeve (penny sleeve) and then into a rigid top-loader or a binder page designed for trading cards.
- Ensure sleeves and top-loaders are acid-free and archival-safe to prevent long-term damage.

Storage

- Store the card in a cool, dry place away from direct sunlight, extreme temperatures, and humidity.
- Binders or storage boxes specifically designed for trading cards are recommended to keep cards organized and protected from physical damage.
- Avoid stacking heavy objects on top of stored cards.
