# VTech Paw Patrol Treat Time Marshall Instruction Manual

Model: 80-190400

## INTRODUCTION

---

This manual provides essential information for the safe and proper operation of your VTech Paw Patrol Treat Time Marshall toy. Please read all instructions carefully before use and retain this manual for future reference.

The VTech Paw Patrol Treat Time Marshall is an interactive learning toy designed to introduce children to letters, phonics, and objects through engaging play with Marshall from Paw Patrol. It features multiple play modes and interactive elements to enhance the learning experience.

## IMPORTANT SAFETY INFORMATION

---

- Adult supervision is recommended during play.
- This toy is intended for children aged 24 months to 5 years.
- Do not immerse the toy in water or expose it to excessive moisture.
- Keep batteries out of reach of small children. If swallowed, seek immediate medical attention.
- Dispose of batteries properly according to local regulations.
- Inspect the toy regularly for damage. Discontinue use if any parts are broken or detached.

## WHAT'S INCLUDED

---

Your VTech Paw Patrol Treat Time Marshall package includes:

- 1 x VTech Treat Time Marshall unit

- 26 x Letter Pup Treats
- 1 x User's Manual (this document)

Image: The VTech Paw Patrol Treat Time Marshall toy, a white and red Marshall figure, surrounded by several bone-shaped letter treats.

## SETUP

### Battery Installation

1. Locate the battery compartment on the underside of the Marshall toy.
2. Using a screwdriver, open the battery compartment cover.
3. Insert 3 new AA batteries, ensuring correct polarity (+/-) as indicated inside the compartment. (Note: Batteries included are for demo purposes only; new batteries are recommended for regular use.)
4. Replace the battery compartment cover and secure it with the screw.

**Battery Type:** 3 x AA batteries (1.5V)

## OPERATING INSTRUCTIONS

---

### Power On/Off and Volume Control

- To turn Marshall on, slide the power switch located on his side to the "On" position.
- To adjust the volume, use the volume control buttons next to the power switch.
- To turn Marshall off, slide the power switch to the "Off" position.

### Feeding Pup Treats

Marshall recognizes each of the 26 bone-shaped Pup Treats. Insert a treat into Marshall's mouth, and he will respond with letters, phonics, objects, and more. His motorized eyes and ears will react during gameplay.

Image: A child's hand inserting a green bone-shaped treat with the letter 'D' into Marshall's mouth.

## Play Modes

Marshall features four interactive play modes:

- **Letter Mode:** Learn letters and their phonics.
- **Learning Rescue Mode:** Discover objects and rescue-related vocabulary.
- **Search and Rescue Mode:** Follow Marshall's instructions to find specific letter treats.
- **Music Time Mode:** Enjoy melodies and songs.

Image: A child's finger pressing one of the mode selection buttons on the side of the Marshall toy.

## Personalization

You can personalize Marshall to recognize the first letter of your child's name. When that specific letter treat is inserted, Marshall will respond with a personalized phrase.

## CARE AND MAINTENANCE

---

- Wipe the toy with a slightly damp cloth to clean. Do not use harsh chemicals or abrasive cleaners.
- Store the 26 Pup Treats inside Marshall's pup pack compartment when not in use to prevent loss.
- Remove batteries if the toy will not be used for an extended period to prevent leakage.
