LEGO 75828

LEGO Ghostbusters Ecto-1 & 2 Building Kit (Model 75828) Instruction Manual

1. INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and maintenance of your LEGO Ghostbusters Ecto-1 & 2 Building Kit. This set allows you to construct detailed models of the Ecto-1 vehicle and Ecto-2 motorbike, complete with minifigures from the 2016 Ghostbusters movie. The kit contains 556 pieces and is designed for builders aged 8-14.

2. PRODUCT FEATURES

The LEGO Ghostbusters Ecto-1 & 2 set includes the following key features:

- **Ecto-1 Vehicle:** Features a Ghostbusters logo, removable roof, seating for 4 minifigures, opening front doors, rear storage with an opening door for accessories, a side ladder, and an ECTO-1 license plate.
- **Ecto-2 Motorbike:** Includes a rear storage box and an ECTO-2 license plate.
- **Minifigures:** Five minifigures are included: Abby Yates, Erin Gilbert, Jillian Holtzmann, Patty Tolan, and Kevin.
- **Additional Figure:** A Mayhem ghost figure is also part of the set.
- **Weapons and Accessories:** The kit comes with 4 proton packs, a proton sidearm, and an ion shield gun.

Image 2.2: Close-up of two Ghostbusters minifigures, equipped with their proton packs.

Image 2.3: The Kevin minifigure positioned on the Ecto-2 motorbike.

3. ASSEMBLY INSTRUCTIONS

This LEGO set is designed for a straightforward building experience. Please follow the step-by-step instructions provided in the physical instruction booklet included with your kit. Ensure all pieces are accounted for before beginning assembly.

- **Unpacking:** Carefully open the box and sort the LEGO elements by color or type if desired.
- **Follow Booklet:** Refer to the numbered bags and corresponding steps in the instruction booklet.
- **Piece Placement:** Ensure each brick is firmly connected to prevent the model from falling apart during play or display.
- **Minifigure Assembly:** Assemble the minifigures and their accessories as shown in the instructions.

For detailed visual guidance, consult the official LEGO instruction manual that accompanies this product.

4. OPERATING INSTRUCTIONS

Once assembled, the LEGO Ghostbusters Ecto-1 & 2 set is ready for interactive play or display. The vehicles and minifigures are designed to recreate scenes from the Ghostbusters movie or inspire new adventures.

- **Ecto-1 Vehicle:** Place up to four Ghostbusters minifigures inside the Ecto-1. The roof is removable for easy access. Utilize the rear storage compartment for proton packs and other gear.
 - **Ecto-2 Motorbike:** Position the Kevin minifigure on the Ecto-2 motorbike for pursuit scenarios.
 - **Minifigure Interaction:** Equip minifigures with proton packs, the proton sidearm, or the ion shield gun to engage with the Mayhem figure.
 - **Movable Parts:** The Ecto-1 features opening front doors and a rear storage door for dynamic play.
-

5. MAINTENANCE

To ensure the longevity and appearance of your LEGO Ghostbusters set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For deeper cleaning, use a mild soap solution and a soft brush, then rinse thoroughly with clean water and air dry. Avoid harsh chemicals or abrasive materials.
 - **Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
 - **Handling:** Handle the model with care to avoid accidental disassembly or damage to smaller components.
-

6. TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following common solutions:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for replacement parts.
 - **Incorrect Assembly:** Review the instruction booklet carefully, paying close attention to the images and step numbers. Disassemble and reassemble any sections that appear incorrect.
 - **Loose Connections:** Ensure all bricks are pressed firmly together. Sometimes a slight adjustment can create a secure connection.
 - **Difficulty with Small Parts:** Use a LEGO brick separator (if available) or a small, flat tool to help separate tightly connected bricks.
-

7. SPECIFICATIONS

Specification	Detail
---------------	--------

Brand Name	LEGO
Model Name	Ghostbusters
Model Number	75828 (also 6153852)
Number of Pieces	556
Material Type	Plastic
Item Dimensions (Ecto-1)	Over 4" (11cm) high, 8" (21cm) long, and 2" (7cm) wide
