Mega Bloks Big Building Bag (80 Piece) Instruction Manual

Brand: Mega Brands | Model: DWR75

INTRODUCTION

The Mega Bloks Big Building Bag offers 80 classic-colored building blocks designed for hands-on exploration and creative play. These large, easy-to-handle blocks are ideal for developing minds and fine motor skills in young children. This manual provides guidance on how to get the most out of your Mega Bloks set, ensuring safe and engaging playtime.

SETUP

1. **Unpacking:** Carefully remove the Mega Bloks from their packaging. The set comes in a durable, environmental-friendly storage bag.
2. **Inspection:** Before first use, inspect all blocks for any damage or manufacturing defects. Discard any damaged pieces.
3. **Preparation:** Ensure a clean, flat play surface for optimal building and stacking.

OPERATING INSTRUCTIONS (PLAYING WITH BLOCKS)

Mega Bloks are designed for intuitive and creative play. Here are some ways to engage with the blocks:

- **Building and Stacking:** Encourage children to connect blocks to build towers, houses, vehicles, or any structure they can imagine. The large size makes them easy for little hands to manipulate.
- **Creative Exploration:** The set includes 80 classic-colored blocks, some with special shapes, to inspire diverse creations.

- **Skill Development:** Playing with Mega Bloks helps develop gross motor skills, thinking skills, and academic skills through hands-on interaction.
- **Age Appropriateness:** These blocks are recommended for children aged 12 months to 5 years. The large size minimizes choking hazards for toddlers.
- **Expand Play:** This set can be combined with other Mega Bloks preschool toys to create even larger and more complex structures.

MAINTENANCE

To ensure the longevity and hygiene of your Mega Bloks, follow these maintenance guidelines:

- **Cleaning:** Blocks can be cleaned with mild soap and water. For thorough cleaning, place them in a mesh bag on the top rack of a dishwasher. Ensure all soap residue is rinsed off.
- **Drying:** Allow blocks to air dry completely before storing to prevent mold or mildew.
- **Storage:** When playtime is over, store all blocks in the provided environmental-friendly bag. Zip the bag securely to keep all pieces together and prevent loss.

TROUBLESHOOTING

While Mega Bloks are designed for durability and ease of use, here are solutions to common concerns:

- **Blocks Not Connecting Securely:** Ensure that the blocks are aligned correctly before pressing them together. Apply firm, even pressure. If blocks consistently fail to connect, inspect for any debris or damage.
- **Child Losing Interest:** Introduce new building challenges or themes. Encourage storytelling around their creations. Combining with other Mega Bloks sets can also renew interest.
- **Missing Pieces:** Regularly check the play area for any stray blocks before storing. The provided storage bag helps keep all 80 pieces together.

SPECIFICATIONS

Feature	Detail
Product Dimensions	12 x 5 x 14 inches
Item Weight	2.2 pounds
Item Model Number	DWR75
Manufacturer Recommended Age	12 months - 5 years
Manufacturer	Mattel
Number of Pieces	80
