# Chicco Bravo Trio Travel System Instruction Manual

Model: 04079761510070

## INTRODUCTION

The Chicco Bravo Trio Travel System in Orion combines the Bravo Quick-Fold Stroller with the KeyFit 30 Infant Car Seat and its base, offering a versatile solution for transporting infants and toddlers. This system is designed for ease of use, safety, and comfort, adapting to your child's growth from 4 to 50 pounds.

The stroller features a multi-position reclining backrest, a five-point harness, a child tray with two cup holders, and a large adjustable canopy. For infants, the stroller seat and canopy can be easily detached, transforming the Bravo into a lightweight frame stroller that accepts the KeyFit 30 Infant Car Seat with a secure click-in attachment.

The innovative one-hand fold mechanism allows the stroller to fold compactly and stand independently, simplifying storage and transport. It also includes a convenient parent tray with two cup holders and a storage compartment, a padded push-handle with three height positions, all-wheel suspension, front swivels for a smooth ride, and one-touch linked rear brakes for secure parking. A large storage basket provides ample space for essentials.

## SETUP

The Chicco Bravo Trio Travel System requires adult assembly, with no tools needed. Follow these steps for initial setup:

1. **Stroller Assembly:** Unfold the stroller frame. Ensure all locking mechanisms are engaged.
2. **Stroller Seat Installation:** Attach the stroller seat and canopy to the frame. Ensure all fabric clips and attachment points are securely fastened. The stroller seat can be easily detached by unzipping the canopy, pressing down on the fabric clip release buttons below the parent tray, and lifting the seat up from the frame.
3. **Child Tray:** Attach the child tray to the stroller frame. It includes two cup holders.
4. **KeyFit 30 Infant Car Seat Base Installation:** Install the KeyFit 30 car seat base in your vehicle using either the LATCH system or the vehicle's seat belt. The base features a level indicator to ensure correct angle and a SuperCinch LATCH tightener for a secure fit.
5. **Infant Car Seat Attachment:** The KeyFit 30 Infant Car Seat clicks directly into the stroller's child tray or the KeyFit adapter bar (if the stroller seat is removed). Ensure both sides click securely into place.

## FEATURES

---

- **Versatile Travel System:** Includes Bravo Stroller, KeyFit 30 Infant Car Seat, and Car Seat Base.
- **Stroller Seat:** Multi-position reclining backrest, five-point harness, child tray with two cup holders, large adjustable canopy.
- **Frame Stroller Option:** Detachable stroller seat/canopy allows transformation into a lightweight frame stroller for the KeyFit 30 Infant Car Seat.
- **One-Hand Fold:** Innovative fold/carry handle for a one-hand, free-standing quick fold.
- **Parent Conveniences:** Parent tray with two cup holders and storage compartment, padded push-handle with three height positions.
- **Smooth Ride:** All-wheel suspension and front swivels.
- **Safety:** One-touch, linked rear brakes for parking, 5-point harness system.
- **Storage:** Large storage basket with 10-pound capacity.
- **KeyFit 30 Infant Car Seat:** Accommodates infants from 4 to 30 lbs and up to 30 inches in height. Easiest infant car seat to install simply, accurately, and securely every time.

## OPERATING INSTRUCTIONS

---

### Stroller Operation

- **Unfolding:** Release the storage latch, lift the handle, and push the frame open until it locks into place.
- **Folding:** Lift the seat cushion to expose the fold handle. Engage the handle with one hand to activate the fold, rotating the front wheels inward for a compact, self-standing fold.
- **Reclining the Seat:** Use the recline mechanism located behind the seat to adjust the backrest to multiple positions for your child's comfort.
- **Brakes:** Engage the one-touch, linked rear brakes by pressing down on the pedal located near the rear wheels. Lift the pedal to release.
- **Adjusting Handlebar:** Press the buttons on the side of the handlebar to adjust its height to your preference.

### Infant Car Seat Operation

- **Attaching to Stroller:** Place the KeyFit 30 Infant Car Seat onto the stroller's child tray or adapter bar, ensuring it clicks securely on both sides.
- **Removing from Stroller:** Locate the release lever at the back of the car seat. Pull the lever and lift the car seat off the stroller.
- **Harness Adjustment:** Adjust the 5-point harness straps to fit your infant snugly. The harness can be adjusted for height as your child grows.

### How to Use Video

*Text Description: This video demonstrates the various features and operational steps of the Chicco Bravo Trio Travel System, including attaching and detaching the KeyFit 30 car seat, adjusting the stroller seat, and folding the stroller for storage.*

## MAINTENANCE

---

- **Cleaning Fabric:** Spot clean or wipe clean fabric components as needed. Refer to the product's care tag for specific washing instructions.
- **Frame Cleaning:** Wipe the frame with a damp cloth and mild soap. Dry thoroughly.
- **Wheel Maintenance:** Regularly check wheels for debris and ensure they rotate freely.

## TROUBLESHOOTING

- **Stroller Not Folding:** Ensure the seat is in the upright position and all locking mechanisms are disengaged before attempting to fold. Check for any obstructions.
- **Car Seat Not Attaching Securely:** Verify that the stroller seat is either fully reclined or removed, and the adapter bar (if used) is correctly installed. Ensure the car seat is aligned properly and pushed down firmly until a click is heard on both sides.
- **Wheels Sticking:** Clean any dirt or debris from the wheel axles. Lubricate with a silicone-based spray if necessary.

## PRODUCT IMAGES

Chicco Bravo Travel System with KeyFit 30 Car Seat. This image shows the complete travel system, featuring the stroller with the infant car seat securely attached.

The Chicco Bravo Stroller converts to a lightweight frame stroller by removing the main seat, ready to accept the KeyFit 30 car seat.

The stroller seat offers adjustable comfort with multiple recline positions for your child.

A spacious storage basket beneath the stroller provides ample room for diaper bags and other essentials.

The included Chicco KeyFit 30 Infant Car Seat, designed for easy and secure installation.

The parent tray offers convenient cup holders and a storage compartment for personal items.

The stroller seat features a reversible cushion for added comfort and style options.
