MAINTENANCE AND STORAGE

To maintain product integrity and efficacy, store the bottle in a cool, dry place, away from direct sunlight and moisture. Ensure the safety seal is intact before first use and keep the lid tightly closed after each use.

TROUBLESHOOTING (POTENTIAL SIDE EFFECTS)

While generally well-tolerated, some individuals may experience mild side effects. These can include:

- Diarrhea
- Fatigue
- Skin rash
- Nausea

If you experience any unwanted or severe side effects, discontinue use immediately and consult a healthcare

professional.
