Sangean DT-160

SANGEAN DT-160 AM/FM Stereo Pocket Radio

INSTRUCTION MANUAL

Introduction

This manual provides detailed instructions for the proper use and care of your SANGEAN DT-160 AM/FM Stereo Pocket Radio. Designed for portability and extended listening, the DT-160 offers clear reception and user-friendly features. Please read this manual thoroughly before operating the device to ensure optimal performance and longevity.

Safety Information

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Always handle batteries and electronic devices with care. Do not expose the radio to extreme temperatures, moisture, or direct sunlight for prolonged periods. Keep out of reach of children.

Package Contents

- SANGEAN DT-160 AM/FM Stereo Pocket Radio
- Earbuds
- User Manual

Product Overview

Familiarize yourself with the controls and features of your DT-160 radio.

Figure 1: Front view of the SANGEAN DT-160 radio, displaying the frequency and battery level.

Front Panel

- **LCD Display:** Large, easy-to-read screen showing frequency, time, battery indicator, and other settings.
- **MEM/SCAN Button:** Used for saving and recalling preset stations, and for auto-scanning.
- **Tuning Buttons (Left/Right Arrows):** Adjusts frequency up or down.
- **BAND Button:** Switches between AM and FM bands.

Top and Side Controls

- **Power/Sleep Button:** Turns the radio on/off and activates the auto shut-off timer.
- **Volume Up/Down Buttons:** Adjusts the audio output level.
- **DBB (Dynamic Bass Boost) Button:** Enhances bass frequencies for richer sound.
- **Stereo/Mono Switch:** Selects between stereo and mono audio output for headphones.
- **Headphone Jack:** 3.5mm output for private listening with earbuds or headphones.

Setup

Battery Installation

1. Locate the battery compartment cover on the back of the radio.
2. Slide the cover open in the direction indicated by the arrow.
3. Insert two (2) AA batteries (not included) into the compartment, ensuring correct polarity (+ and -) as marked.
4. Close the battery compartment cover securely.

The radio is designed to operate for up to 100 hours at normal listening levels on fresh AA batteries.

Operating Instructions

Power On/Off

- To turn the radio **ON**, press the Power button. The LCD display will illuminate.
- To turn the radio **OFF**, press and hold the Power button until the display turns off.

Tuning AM/FM Stations

- Press the **BAND** button to select either AM or FM.
- Use the **Tuning Buttons (Left/Right Arrows)** to manually adjust the frequency.
- For automatic station search, press and hold the **MEM/SCAN** button. The radio will scan and stop at the next strong station.

Setting and Recalling Presets

The radio allows for 15 direct recall presets (10 FM, 5 AM).

1. Tune to your desired station.
2. Press and hold the **MEM/SCAN** button until the preset number flashes on the display.
3. Use the **Tuning Buttons** to select the desired preset number.
4. Press **MEM/SCAN** again to confirm and save the station.
5. To recall a preset, short press the **MEM/SCAN** button and then use the **Tuning Buttons** to cycle through saved stations.

Volume Control

Use the **Volume Up (+)** and **Volume Down (-)** buttons on the side of the radio to adjust the listening level.

Dynamic Bass Boost (DBB)

Press the **DBB** button to activate or deactivate the Dynamic Bass Boost feature, which enhances low-frequency sounds for a fuller audio experience.

Stereo/Mono Switch

When using headphones, slide the **Stereo/Mono** switch to select between stereo sound (for FM broadcasts) or mono sound (which can improve reception for weak signals).

Auto Shut-Off

The radio features a 90-minute auto shut-off timer. To activate it, short press the **Sleep** button. The radio will automatically turn off after 90 minutes. To disable this feature, press and hold the **Sleep** button when turning the radio on until a beep confirms the change.

Real Time Clock

The radio includes a built-in real-time clock, visible on the LCD display when the radio is off or in standby mode.

Figure 2: The SANGEAN DT-160 radio shown with the included earbuds, ready for private listening.

Maintenance

- Clean the radio with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- If the radio will not be used for an extended period, remove the batteries to prevent leakage and damage.
- Avoid exposing the radio to water or high humidity.

Troubleshooting

Problem	Possible Cause	Solution
No power	Batteries are dead or incorrectly inserted.	Replace batteries or check polarity.
Poor reception	Weak signal or interference.	Adjust radio position, extend antenna fully, or try a different location. For FM, ensure headphones are plugged in as they act as an antenna.
No sound from speaker/headphones	Volume too low, headphones not fully plugged in, or faulty headphones.	Increase volume, ensure headphones are securely connected, or test with different headphones.

Specifications

Model Number:	DT-160
Dimensions (W x H x D):	2.48 x 3.98 x 1 inches
Weight:	0.035 ounces

Power Source:
2 x AA Batteries (not included)

Tuner Type:
AM/FM Digital

Radio Bands Supported:
AM/FM

Presets:
15 (10 FM, 5 AM)

Special Features:
Built-In Real Time Clock, 90 Minute Auto Shut Off, Dynamic Bass Boost (DBB), Stereo/Mono Switch, Battery Power Indicator

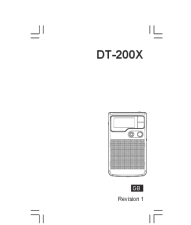

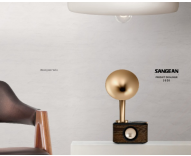

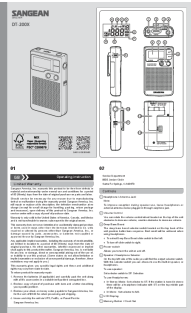

Included Components:
Radio, Earbuds, User Manual

Warranty and Support

For warranty information and technical support, please refer to the warranty card included with your product or visit the official Sangean website. Keep your purchase receipt as proof of purchase for any warranty claims.
