# Woodpeckers 8-inch Wavy Wooden Craft Sticks User Manual

Brand: Woodpeckers | Model: BCAC27369

## PRODUCT OVERVIEW

The Woodpeckers 8-inch Wavy Wooden Craft Sticks are versatile, unfinished birch wood sticks designed for a wide range of crafting and practical applications. This pack contains 200 sticks, each measuring 8 inches long by 3/4 inches wide, featuring a unique wavy design with a flat surface and round edges.

These sticks are crafted from premium quality natural birch wood, ensuring they are splinter-free and food-safe, making them suitable for various projects from educational activities to personal events.

## APPLICATIONS AND USAGE

These wooden craft sticks are highly versatile and can be used for numerous creative and practical purposes. Their sturdy build and smooth finish make them ideal for both children's crafts and adult projects.

### Crafting Projects

- **Fan Handles:** Perfect for creating custom hand fans for events like weddings, church gatherings, or outdoor parties. Simply attach paper, cardstock, or fabric designs to the flat surface of the stick.
- **Puppet Sticks:** Use as handles for homemade puppets, allowing for easy manipulation during storytelling or theatrical play.
- **Auction Bid Paddles:** Their flat, wide surface is suitable for attaching numbers or designs to create custom bid paddles for auctions or fundraising events.
- **Plant Markers:** Can be decorated and inserted into potted plants or garden beds to label herbs, vegetables, or flowers.
- **General DIY Crafts:** Excellent for a variety of DIY projects, including building small structures, creating decorative elements, or as a base for mixed media art.

## Practical Uses

- **Paint Mixing:** The sturdy design makes them effective for stirring and mixing paints, epoxies, or other liquid mediums.
- **Food-Safe Applications:** Being food-safe, they can be used for making homemade ice pops, ice cream bars, or as stirrers for beverages.

**KID-FRIENDLY, CRAFTER-APPROVED**

Safe, splinter-free, and fun to use.

## CARE AND MAINTENANCE

---

To ensure the longevity and quality of your Woodpeckers Wooden Craft Sticks, follow these simple care guidelines:

- **Storage:** Store sticks in a dry environment away from excessive moisture or humidity to prevent warping or mold growth.
- **Cleaning:** For general cleaning, wipe with a dry cloth. If used with food items, wash gently with mild soap and water, then dry immediately. Do not soak.
- **Decoration:** When decorating, ensure paints, glues, or markers are non-toxic, especially if the sticks will be used by children or for food-related purposes. Allow decorated sticks to dry completely before use or storage.

## TROUBLESHOOTING

---

Woodpeckers Wooden Craft Sticks are designed for durability and ease of use. Should you encounter any issues, consider the following:

- **Splintering:** While designed to be splinter-free, natural wood can occasionally have minor imperfections. If a stick feels rough, gentle sanding with fine-grit sandpaper can smooth the surface.
- **Warping:** Warping typically occurs due to exposure to excessive moisture or extreme temperature changes. Ensure proper storage in a dry, stable environment.
- **Adhesion Issues:** When attaching materials, ensure the stick surface is clean and dry. Use appropriate adhesives for the materials being joined (e.g., wood glue, hot glue, craft glue).

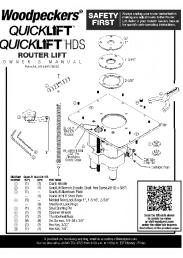

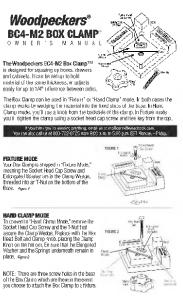

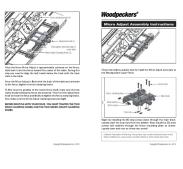

## WARRANTY AND SUPPORT
