New Pacific Direct Devon Fabric Counter Stool Instruction Manual

Model: 4400013-NS

INTRODUCTION

This manual provides detailed instructions for the assembly, safe use, and maintenance of your New Pacific Direct Devon Fabric Counter Stool. Please read all instructions carefully before assembly and use to ensure proper function and longevity of the product.

The Devon Counter Stool features a sophisticated silhouette with a straight back profile and Walnut color legs, complemented by modern Night Shade fabric upholstery. It is designed for use at kitchen islands or peninsulas.

SAFETY INFORMATION

- **Read all instructions:** Ensure you understand all assembly and usage instructions before proceeding.
- **Adult Assembly Required:** This product requires adult assembly. Keep small parts away from children during assembly.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 300 pounds (136 kg) per stool.
- **Stable Surface:** Always place the stool on a flat, level, and stable surface.
- **Avoid Climbing:** Do not stand on the stool or use it as a step ladder.
- **Regular Checks:** Periodically check all bolts and fasteners to ensure they are tight. Retighten as necessary.
- **Proper Use:** Use the stool only for its intended purpose as seating.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

PACKAGE CONTENTS

Your package should contain the following components for a set of two (2) Devon Fabric Counter Stools. Please verify all parts are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- 2 x Stool Seats (with upholstered fabric)
- 8 x Stool Legs (4 per stool)
- 4 x Footrest Bars (2 per stool)
- Hardware Pack (bolts, washers, Allen wrench)

SETUP AND ASSEMBLY

Assembly is required for the Devon Fabric Counter Stools. It is recommended to assemble the stools on a soft, clean surface to prevent scratching. Two people may be helpful for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a protected surface. Check against the "Package Contents" list.
2. **Attach Legs to Seat Frame:** Identify the four legs for one stool. Each leg typically has pre-drilled holes. Align the top of each leg with the corresponding corner of the stool seat frame. Secure each leg using the provided bolts and washers. Do not fully tighten bolts at this stage.
3. **Install Footrest Bars:** Connect the footrest bars between the legs. Ensure the bars are properly oriented to form a stable base. Secure with the provided bolts and washers. Do not fully tighten bolts yet.
4. **Tighten All Fasteners:** Once all legs and footrest bars are in place, gently place the stool upright on a level surface. Apply slight pressure to the seat to ensure it is level, then systematically tighten all bolts using the Allen wrench. Do not overtighten.
5. **Repeat for Second Stool:** Follow the same steps to assemble the second counter stool.
6. **Final Check:** Ensure both stools are stable and all fasteners are securely tightened before use.

OPERATING AND USAGE

The New Pacific Direct Devon Fabric Counter Stool is designed for comfortable seating at counter-height surfaces such as kitchen islands, home bars, or high tables.

- **Seating:** Sit centrally on the seat for optimal balance and comfort.
- **Footrest:** Utilize the integrated footrest bar for added comfort and support.
- **Movement:** When moving the stool, lift it rather than dragging it across the floor to prevent damage to the legs and

floor surface.

MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the life of your counter stools.

- **Cleaning Fabric:** For general cleaning, wipe the fabric upholstery with a dry cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners. Professional cleaning may be required for stubborn stains.
- **Cleaning Wood Frame:** Wipe the wood frame with a dry cloth. For more thorough cleaning, use a slightly damp cloth and immediately dry with a clean, soft cloth. Avoid excessive moisture.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading and wood discoloration.
- **Avoid Heat Sources:** Keep the stools away from direct heat sources like radiators or fireplaces to prevent wood warping or cracking.
- **Regular Inspection:** Periodically inspect all connections and tighten any loose bolts to maintain structural integrity.

TROUBLESHOOTING

If you encounter any issues with your Devon Fabric Counter Stool, refer to the following common troubleshooting tips:

- **Stool Wobbles:**
 - Ensure all bolts are securely tightened. Loosen all bolts slightly, place the stool on a level surface, apply even pressure to the seat, and then retighten all bolts.
 - Check if the floor surface is uneven. Consider using furniture pads or shims under the shorter leg if necessary.
- **Loose Parts:**
 - Regularly inspect and tighten all screws and bolts. Do not overtighten.
- **Squeaking Noises:**
 - Squeaking often indicates loose connections. Identify the source of the squeak and tighten the corresponding fasteners.
