WHAT'S IN THE BOX

Ensure all components are present before beginning setup:

- Toy Ball
- AA Battery (3)
- Manual

SETUP

Follow these steps to prepare your Wiggle and Crawl Ball for play:

1. **Battery Installation:** The toy requires 3 AA batteries. Batteries are included for demo purposes

only; new batteries are recommended for regular use. Locate the battery compartment, typically on the underside of the ball. Use a screwdriver to open the compartment, insert the batteries according to the polarity indicators (+/-), and securely close the cover.

2. **Adult Assembly:** Adult assembly is required for battery installation and ensuring all parts are securely in place before use.
3. **Power On:** Locate the power switch, usually near the battery compartment or on the side of the ball, and slide it to the 'On' position.

OPERATING INSTRUCTIONS

Engage with the Wiggle and Crawl Ball to maximize learning and fun:

- **Automatic Movement:** Once powered on, the ball will begin to wiggle and wobble on its own, encouraging your child to chase and crawl after it. This motion is designed to promote gross motor skill development.
- **Interactive Buttons:** Press the dog, cat, and bear buttons located on the ball to activate various playful songs, melodies, sounds, and cheerful phrases. These interactions help hone fine motor skills and introduce animals, colors, and numbers.
- **Flashing Lights:** The five flashing lights on the ball are designed to attract your baby's attention and enhance engagement during play.
- **Spinning Animals:** The spinning and twisting animals on the ball encourage further interaction and exploration.

MAINTENANCE

To ensure the longevity and proper functioning of your VTech Wiggly and Crawl Ball:

- **Cleaning:** Wipe the toy with a damp cloth and mild soap. Do not immerse in water.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.

TROUBLESHOOTING

If you encounter any issues with your Wiggle and Crawl Ball, try the following:

- **No Power/Sound:** Ensure batteries are correctly installed and are fresh. Replace with new batteries if necessary. Check that the power switch is in the 'On' position.
- **Ball Not Rolling:** Verify that the toy is on a flat, smooth surface. Ensure the turtle mechanism on top is not obstructed.
- **Intermittent Function:** This may indicate low battery power. Replace batteries.
