OPERATING INSTRUCTIONS

Power On/Off and Volume Control

- To turn the laptop on, open the lid. To turn it off, close the lid.
- Locate the volume switch, typically on the side or near the keyboard. This allows selection between low and high volume settings.

Interactive Modes

The laptop features three primary learning modes:

1. **Animal Mode:** Learn about various animals and their sounds by pressing the shape buttons.
2. **Shape Mode:** Explore different colors and shapes through interactive play.
3. **Music Mode:** Enjoy a variety of songs, melodies, and short tunes.

Switch between these modes using the dedicated selector switch, usually located on the side of the keyboard area.

Using the Buttons and Mouse

- The nine brightly colored shape buttons on the keyboard area activate sounds, phrases, and lights on the screen according to the selected mode.
- The movable mouse, shaped like a mouse, can be slid back and forth to interact with the screen, enhancing motor skills.
- Opening and closing the laptop teaches concepts of opposites.
- A spinning roller is integrated to further develop motor skills.

MAINTENANCE

Cleaning

To clean the VTech Brilliant Baby Laptop, wipe it with a slightly damp cloth. Do not immerse the unit in water or use harsh cleaning agents, as this may damage the electronic components.

Storage

When not in use for extended periods, it is recommended to remove the batteries to prevent leakage and damage to the device. Store the laptop in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

No Sound or Lights

- Check if the batteries are correctly installed with the proper polarity.
- Replace old or depleted batteries with new AA batteries.
- Ensure the volume switch is not set to the lowest setting or off.

Intermittent Operation
