SABRENT AX-FLCH-B

SABRENT Premium 60 Watt (12 Amp) 6-Port Aluminum Desktop USB Rapid Charger Instruction Manual

Model: AX-FLCH-B

INTRODUCTION

Thank you for choosing the SABRENT Premium 60 Watt (12 Amp) 6-Port Aluminum Desktop USB Rapid Charger. This manual provides essential information for the safe and efficient operation of your device. This charger is designed to provide rapid and safe charging for multiple USB-powered devices simultaneously.

KEY FEATURES

- **Smart Port Technology:** Maximizes compatibility with Android, Apple, and other devices by enabling charging speeds of up to 12 amps among 6 ports or 2.4 amps per port.
- **Rapid Charging:** Charge your power-hungry devices at full speed with 60 watts and 12A total output.
- **Simultaneous Charging:** Charge up to 6 devices simultaneously.
- **Overcharge Protection:** Charges safely with built-in overcharge protection.
- **Universal Compatibility:** Charges almost any USB device, including smartphones, tablets, e-readers, Bluetooth headphones, and portable speakers.
- **International Travel Ready:** Features AC 110-220V input voltage.
- **Durable Design:** Constructed with an aluminum case and ABS circuit protector for industrial quality and exceptional performance.
- **Stable Placement:** Includes a rubberized bottom for complete stability on surfaces.

WHAT'S IN THE BOX

- SABRENT Premium 60 Watt (12 Amp) 6-Port Aluminum Desktop USB Rapid Charger
- Power Cable
- User Manual

SETUP

1. **Unpack the Charger:** Carefully remove the SABRENT 6-Port USB Rapid Charger and its accessories from the packaging.

2. **Connect Power:** Plug the provided power cable into the charger's power input port.

3. **Connect to Wall Outlet:** Plug the other end of the power cable into a standard AC 110-220V wall outlet. The charger is designed for universal input voltage, making it suitable for international travel.

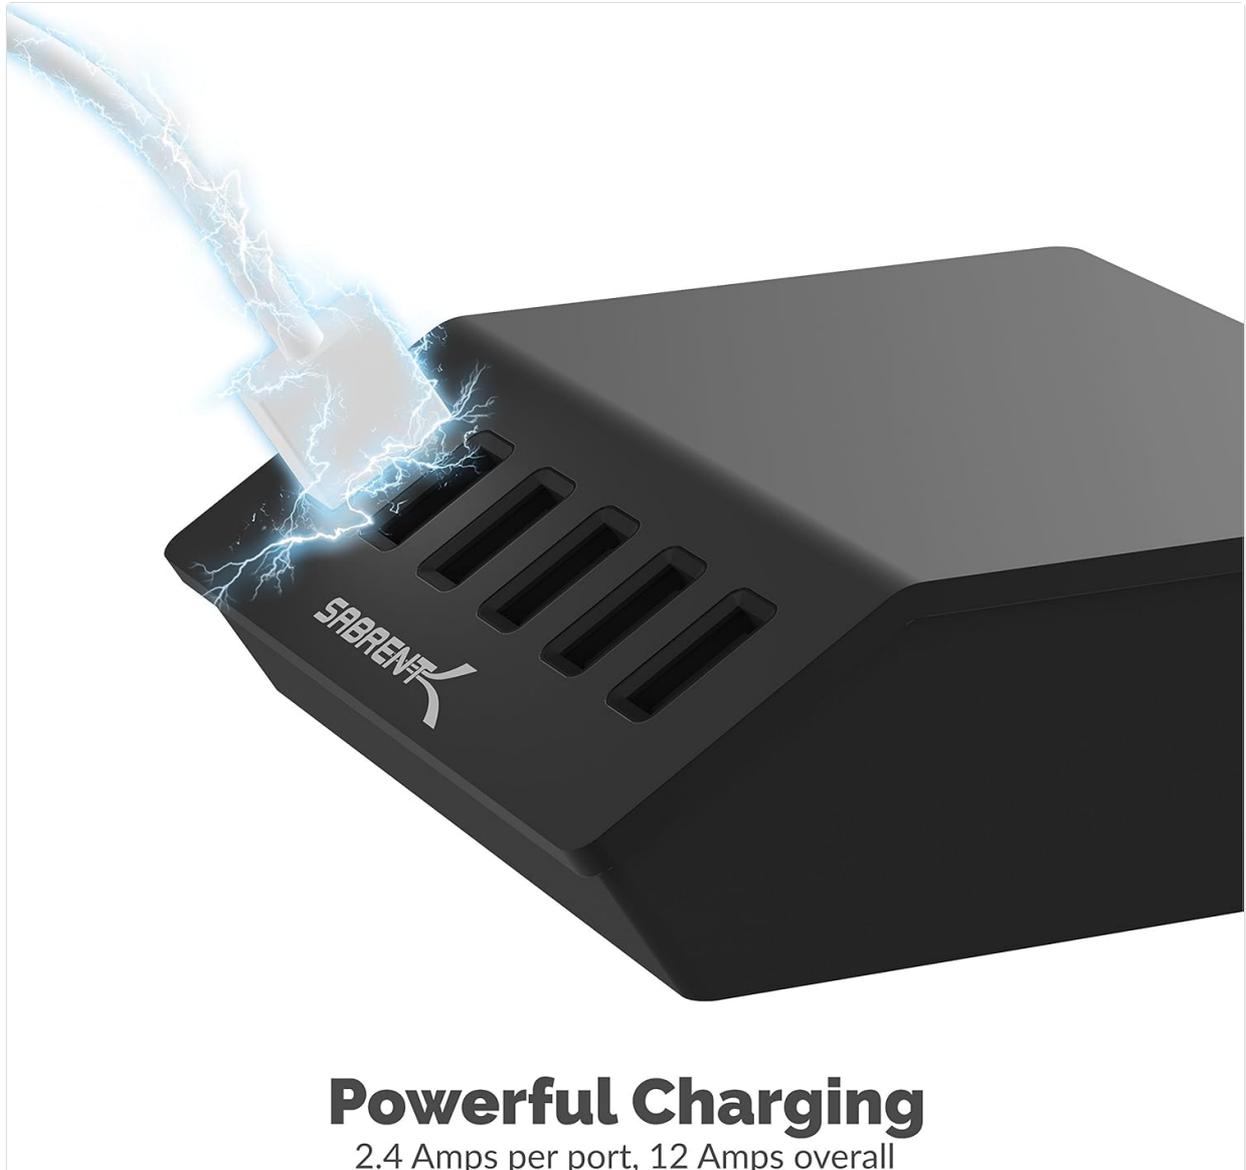

Powerful Charging
2.4 Amps per port, 12 Amps overall

Image: The SABRENT 6-Port USB Rapid Charger shown with its power cable securely connected to the back, ready to be plugged into a wall outlet.

OPERATING INSTRUCTIONS

1. **Connect Your Devices:** Plug your USB charging cables into any of the 6 available USB ports on the charger.

2. **Smart Port Technology:** The charger's Smart Port Technology will automatically detect your device's charging requirements and deliver the fastest possible charge, up to 2.4 amps per port or a total of 12 amps across all 6 ports.

3. **Simultaneous Charging:** You can charge up to 6 devices at the same time without compromising charging speed or safety.

6-in-1
Charges up to 6 USB Devices using 1 Wall Outlet

Video: This video demonstrates the sleek design and multi-device charging capabilities of the SABRENT Premium 60 Watt (12 Amp) 6-Port Aluminum USB Rapid Charger. It highlights how the smart port technology safely and efficiently charges up to six devices simultaneously, preventing overcharging and overheating, and its universal compatibility for various USB devices, making it ideal for travel.

SAFETY INFORMATION

- The SABRENT 6-Port USB Rapid Charger is UL Certified, ensuring it meets high safety standards.
- Built-in overcharge protection prevents damage to your devices and the charger.
- The charger is designed to prevent over-voltage and overheating.
- Do not expose the charger to liquids or extreme temperatures.
- Do not disassemble the charger.

MAINTENANCE

- Clean the charger with a soft, dry cloth. Do not use liquid cleaners.
- Ensure the charger is placed on a stable surface, utilizing its rubberized bottom to prevent slipping.
- Store the charger in a cool, dry place when not in use.

TROUBLESHOOTING

- **Device not charging:** Ensure the power cable is securely connected to both the charger and the wall outlet. Verify that the USB cable connecting your device to the charger is functional and properly

inserted.

- **Slow charging:** While the Smart Port Technology optimizes charging, ensure your device's cable is not damaged. Some devices may have specific charging requirements that could affect speed.
- **Charger feels warm:** It is normal for the charger to feel slightly warm during operation, especially when charging multiple devices. If it becomes excessively hot, disconnect all devices and the power cable, and allow it to cool down.

Universal Compatibility
Compatible with any device that charges with an USB cable

Image: The SABRENT 6-Port USB Rapid Charger connected to a variety of devices including smartphones and tablets, demonstrating its universal compatibility with any USB-chargeable device.

SPECIFICATIONS

Specification	Value
