Revell HMS Victory Battle of Trafalgar Model Kit

Model: Revell_05767

Brand: Revell

INTRODUCTION

This instruction manual provides detailed guidance for the assembly and care of your Revell HMS Victory Battle of Trafalgar model kit. The HMS Victory was Admiral Nelson's flagship at the Battle of Trafalgar in 1805, a pivotal moment in naval history. This kit allows you to recreate this iconic vessel with precision and detail.

SAFETY INFORMATION

WARNING: This kit contains small parts. Not suitable for children under 8 years of age. For use under adult supervision. Adhesive containing solvent is included.

Always ensure adequate ventilation when using adhesives and paints. Keep all components and tools out of reach of small children to prevent choking hazards or injury. Read all instructions carefully before beginning assembly.

PACKAGE CONTENTS

Your Revell HMS Victory model kit includes the following components:

- Model construction kit parts (269 pieces)
- Rigging twine
- Flag chart
- Adhesive (containing solvent)
- Paints (specific colors may vary, additional paints may be required for full detail)
- Assembly instructions

Please verify all parts are present and undamaged before starting assembly. If any parts are missing or damaged, please contact Revell customer support.

ASSEMBLY INSTRUCTIONS

This model kit is rated Level 4, indicating a challenging build suitable for experienced modelers aged 14 and up. The kit features finely detailed hull sides, a structured deck, gun positions, a detailed bowsprit, ornamenteally decorated bow, detailed masts with crow's nest, and shrouds.

General Assembly Tips:

- **Read through all instructions:** Familiarize yourself with the entire assembly process before starting.
- **Organize parts:** Carefully remove parts from the sprues using a hobby knife or clippers. Keep them organized to avoid confusion.
- **Test fit:** Before applying adhesive, always test fit parts to ensure proper alignment.
- **Use appropriate adhesive:** Apply plastic model cement sparingly to avoid damaging the plastic.
- **Painting:** Paint parts as indicated in the instructions. Some parts may require painting before assembly.

Key Assembly Stages:

1. **Hull Assembly:** Carefully join the two halves of the hull. Ensure a strong bond and smooth seams.
2. **Deck and Interior Details:** Attach the structured deck sections and any interior components such as gun positions.
3. **Bowsprit and Stern Details:** Assemble the detailed bowsprit and the ornamenteally decorated stern.
4. **Mast and Rigging:** Construct the detailed masts and attach them to the deck. This stage involves intricate work with the rigging twine to create the shrouds and other lines. Refer to the flag chart for flag placement.
5. **Sails:** Attach the sails to the yards and then to the masts.
6. **Final Details:** Add any remaining small details, such as lifeboats, cannons, and flags.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your assembled model, follow these care guidelines:

- **Dusting:** Regularly dust the model with a soft brush or compressed air to prevent dust buildup in intricate areas.
- **Display Environment:** Display the model in a stable location away from direct sunlight, extreme temperatures, and high humidity, which can cause discoloration or warping.
- **Handling:** Handle the model carefully, grasping it by the base or hull to avoid damaging delicate rigging, masts, or other small parts.
- **Cleaning:** Avoid using harsh chemicals or abrasive cleaners. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying.

TROUBLESHOOTING

If you encounter issues during assembly or with the finished model, consider the following:

- **Parts not fitting:** Ensure you are using the correct parts for each step. Sometimes, a small amount of sanding or trimming may be necessary for a perfect fit.
- **Adhesive issues:** If parts are not bonding, ensure surfaces are clean and dry. Allow sufficient curing time for the adhesive.
- **Rigging tangles:** Take your time with rigging. Use tweezers for precision and secure knots or adhesive points as instructed.
- **Missing parts:** Double-check the sprues and packaging. If a part is genuinely missing, contact Revell customer support with the part number from the instructions.
