# Custom Accessories GOXT 23685 Bluetooth Visor Mount Speaker User Manual

Model: 23685

## INTRODUCTION

---

The GOXT 23685 Bluetooth Visor Mount Speaker provides a hands-free solution for communication while driving. This device allows you to make and receive calls, and stream audio from your smartphone, enhancing safety by keeping your hands on the steering wheel. It mounts conveniently to your vehicle's sun visor and connects wirelessly via Bluetooth to compatible smartphones.

## PACKAGE CONTENTS

---

Please verify that all items are present in the package:

- GOXT 23685 Bluetooth Visor Mount Speaker
- USB Charging Cable
- User Manual (this document)

## SETUP

---

### 1. Charging the Device

Before initial use, fully charge the GOXT 23685 speaker. Connect the provided USB charging cable to the speaker's charging port and the other end to a USB power source (e.g., car charger, computer USB port). The charging indicator light will illuminate during charging and turn off when fully charged. A full charge provides approximately 12 hours of talk time.

### 2. Mounting the Speaker

The speaker is designed to clip onto your vehicle's sun visor. Position the speaker on the visor so that the microphone is directed towards you for optimal voice pickup. Ensure it does not obstruct your view or interfere with the visor's operation.

### 3. Powering On/Off

To power on the device, press and hold the Power button until the indicator light illuminates. To power off, press and hold the Power button again until the indicator light turns off.

## OPERATING INSTRUCTIONS

### 1. Bluetooth Pairing

1. Ensure the GOXT 23685 speaker is powered on and within pairing mode (indicator light flashing).
2. On your smartphone, navigate to the Bluetooth settings menu.
3. Enable Bluetooth and search for available devices.
4. Select "GOXT 23685" (or similar name) from the list of found devices.
5. If prompted for a passcode, enter "0000" (four zeros).
6. Once paired, the speaker's indicator light will change, and your phone will confirm the connection.
7. The device supports connecting to two phones simultaneously.

### 2. Making and Receiving Calls

- **Answering a Call:** When a call comes in, press the Answer/End Call button once.
- **Ending a Call:** During a call, press the Answer/End Call button once.
- **Rejecting a Call:** When a call comes in, press and hold the Answer/End Call button for approximately 2 seconds.

- **Making a Call:** Initiate a call from your smartphone. The audio will automatically transfer to the GOXT speaker.
- **Voice Recognition Dialing:** The device supports voice recognition dialing. Refer to your smartphone's manual for specific instructions on activating voice commands.

### 3. Audio Streaming

Once paired, the GOXT 23685 speaker can stream audio from your smartphone, including GPS navigation instructions and music. Ensure your phone's media audio is routed through Bluetooth.

## MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the speaker. Do not use abrasive cleaners or solvents.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Recharge the device when the low battery indicator appears.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	Battery is discharged.	Charge the device using the provided USB cable.
Cannot pair with smartphone.	Bluetooth is off on phone; device not in pairing mode; too far apart.	Ensure Bluetooth is enabled on your phone. Put the GOXT speaker into pairing mode. Keep devices within 1 meter during pairing. Restart both devices.
No audio during calls/streaming.	Volume too low; incorrect audio output selected on phone.	Increase volume on both the speaker and your smartphone. Check your phone's Bluetooth settings to ensure audio is routed to the GOXT speaker.
Poor call quality.	Speaker position; environmental noise; weak signal.	Adjust speaker position for better microphone pickup. Reduce background noise if possible. Ensure strong Bluetooth connection.

## SPECIFICATIONS

- **Model:** 23685
- **Connectivity Technology:** Bluetooth
- **Power Source:** Battery Powered
- **Battery Average Life:** 12 Hours (Talk Time)
- **Control Method:** Voice
- **Compatible Devices:** Smartphone, Tablet
- **Special Features:** Supports Voice Recognition Dialing, Noise Cancelling Technology, Connects 2 Phones
