## Craftmade TMPH44W5

# Craftmade Tempo 44-Inch Flush Mount Ceiling Fan User Manual

Model: TMPH44W5 | Brand: Craftmade

## PRODUCT OVERVIEW

The Craftmade Tempo 44-inch hugger fan (Model TMPH44W5) is designed for smaller rooms and spaces with shorter ceilings. It features a sleek profile and integrates LED down lighting for both aesthetic appeal and functional illumination. This fan is rated for indoor locations only.

Image: The Craftmade Tempo 44-inch ceiling fan in white, showcasing its five blades and central LED light. This fan is designed for flush mounting, making it suitable for rooms with lower ceilings.

## SAFETY INFORMATION

Always ensure power is disconnected before installation, maintenance, or troubleshooting. Installation should be performed by a qualified electrician. This product is designed for indoor use only and cannot be mounted on a sloped ceiling.

This product may expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to

## PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Motor Assembly
- 5 White Plywood Blades
- Integrated Light Kit (16 Watt LED)
- Handheld Remote Control
- Wall Control
- Installation Guide
- Parts Assembly
- Optional White Blank Light Lens Cover (for no-light operation)

### CRAFTMADE TEMPO-44" CEILING FAN

- LED Module is guaranteed for 3 years

<b>MOUNTING TYPE</b>	Flush Mount
<b>CONTROL</b>	ICS Remote & Wall Control Included
<b>BLADES</b>	5 White Blades Included

<b>DIMMABLE</b>	Yes (3000K, 1415 Lumens, 80 CRI)
<b>AIRFLOW</b>	2910 CFM-Average, 3874.76 CFM-High
<b>MOTOR SIZE</b>	153 X 15 mm, Standard 3-Speed Reversible

Image: A detailed specification sheet for the Craftmade Tempo 44-inch ceiling fan, highlighting its flush mount design, included remote and wall controls, 5 white blades, integrated 16W LED light kit (dimmable, 3000K, 1415 Lumens), 2910 CFM average airflow, and 153 X 15 mm motor size.

## SPECIFICATIONS

Feature	Detail
---------	--------

Feature	Detail
Model	TMPH44W5
Dimensions (D x W x H)	44"D x 44"W x 6.32"H
Overall Height (Ceiling to Bottom of Light)	10.43" (26.5 cm)
Base Diameter	10.93" (27.76 cm)
Blade Span Diameter	44 inches
Number of Blades	5
Blade Material	Engineered Wood (Plywood)
Blade Pitch	13 degrees
Light Type	Integrated 16W LED (3000K, 1415 Lumens, 80CRI)
Dimmable Light	Yes
Control Method	Remote Control & Wall Control
Fan Speeds	3 RPM
Airflow (Average)	2910 CFM
Airflow (High)	3874.76 CFM
Airflow Efficiency	74 Cubic Feet Per Minute Per Watt
Motor Size	153 X 15 mm, Standard 3-Speed Reversible
Voltage	120 Volts
Wattage	72.00 W (Fan), 16 W (Light)
Hanging Weight	18.6 lbs
Indoor/Outdoor Usage	Indoor Only
Certification	UL Certified

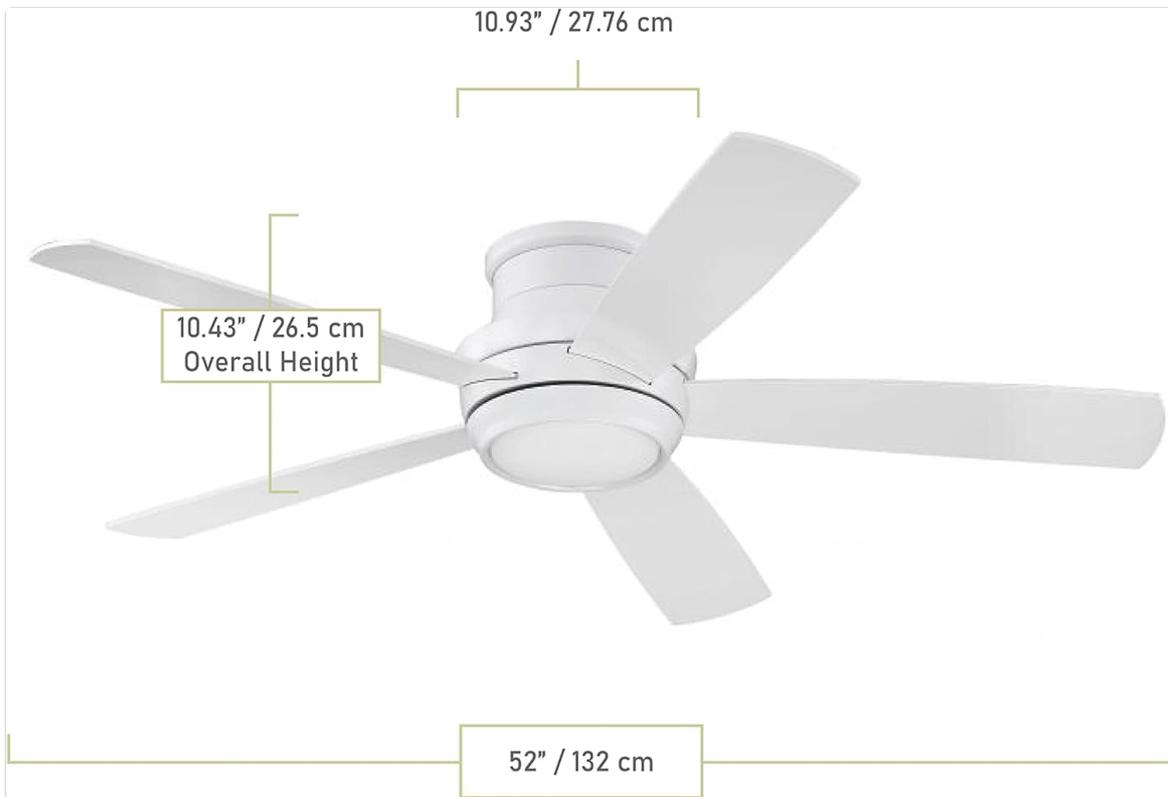

Image: A dimensional diagram of the Craftmade Tempo ceiling fan, illustrating its compact design with an overall height of 10.43 inches (26.5 cm) and a base diameter of 10.93 inches (27.76 cm). The fan features a 44-inch blade span, ideal for smaller rooms and low ceilings.

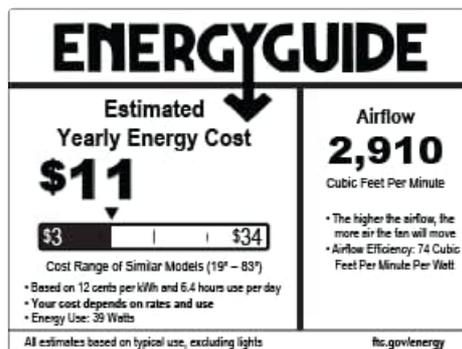

Image: EnergyGuide label indicating an estimated yearly energy cost of \$11 for the fan, based on 12 cents per kWh and 6.4 hours per day usage. It also shows an airflow of 2,910 Cubic Feet Per Minute and an airflow efficiency of 74 Cubic Feet Per Minute Per Watt.

## SETUP AND INSTALLATION

For detailed installation instructions, please refer to the official Installation Manual. A PDF version is available for download: [Download Installation Manual \(PDF\)](#).

### Key Installation Notes:

- This is a flush mount fan, designed to sit close to the ceiling.
- It cannot be mounted on a sloped ceiling.
- Ensure all electrical connections are secure and follow local electrical codes.
- The fan operates on 120 volts.

## OPERATING INSTRUCTIONS

---

The Craftmade Tempo fan comes with both a handheld remote and a wall control for convenient operation.

### Fan Operation

- **Speed Control:** Use the remote or wall control to select one of the three available fan speeds.
- **Reverse Function:** The fan features a reverse mode to change the direction of airflow. This is useful for circulating air upwards in cooler weather or downwards in warmer weather. Refer to the installation manual for specific instructions on how to engage the reverse function, as it may be a switch on the motor housing or controlled via the remote.

### Light Operation

- **On/Off:** Use the dedicated light button on the remote or wall control to turn the integrated LED light on or off.
- **Dimming:** The LED light is dimmable. Press and hold the light button to adjust the brightness to your desired level.
- **No-Light Option:** An optional white blank light lens cover is included if you prefer to use the fan without the light.

## MAINTENANCE

---

- **Cleaning:** To clean the fan, wipe surfaces with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Care:** Periodically check that the fan blades are securely attached and clean. Dust accumulation can affect performance.
- **Light Cover:** If a slight ticking noise occurs, ensure the glass cover over the light is tightened

securely.

- **Remote/Wall Control Batteries:** The handheld remote and wall control require batteries. If controls stop working, check and replace the batteries. The wall switch typically has a battery accessible from the front of the wall plate.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not operate / Remote not working	Dead batteries in remote or wall control. Loose wiring.	Replace batteries in both handheld remote and wall control. Check all electrical connections.
Fan is noisy (ticking/squeaking)	Loose light cover or other components.	Ensure the glass cover over the light is tightened. Check all screws and connections for tightness.
Light is too harsh/unpleasant	Light is at full brightness.	Use the dimming function on the remote or wall control to adjust brightness.
Fan only works on one speed / Light stopped working	Battery in wall switch is dead.	Replace the battery in the wall switch.

## WARRANTY AND SUPPORT

All products purchased have a 30-day replacement parts policy to ensure a fully working item. All products are covered under a 1-Year warranty when purchased on Amazon. The warranty period begins on the day the product is originally shipped.

The warranty covers all items and conditions identified in the original manufacturer's warranty. Items specifically not covered include loss and theft, water damage, customer abuse, and finish deterioration due to UV or coastal exposure.

For customer support, please contact Craftmade at [\(800\) 486-4892](tel:8004864892).
