MacSports WTC-145

Mac Sports Collapsible Folding Outdoor Utility Wagon

Model: WTC-145

Introduction

Thank you for choosing the Mac Sports Collapsible Folding Outdoor Utility Wagon. This wagon is designed for easy transport of heavy or bulky loads, making it ideal for outdoor sporting events, concerts, trips to the park, gardening, and general use around the house. Its lightweight, durable design allows for quick setup and compact storage.

Important Safety Information

- **DO NOT** use this wagon to transport children or pets. It is not designed for this purpose and could result in injury.
- Ensure all parts are properly assembled and secured before use.
- Do not exceed the maximum load capacity of 150 lbs (68 kg). While the frame is heavy-duty, exceeding this limit may compromise stability and performance.
- Always maintain a firm grip on the adjustable handle when moving the wagon, especially on uneven terrain or inclines.
- Avoid sharp turns at high speeds to prevent tipping.
- Store the wagon in a dry, protected area when not in use to prevent damage from weather elements.

Product Features

- **Large Capacity:** Spacious interior for various items. Outside Dimensions Approx: 35" x 20" x 23". Inside Dimensions Approx: 32.5" x 17.5" x 10.5".
- **Convenient Compact Storage:** Folds to only 8" thick (approx. 29.5" x 20" x 8"). Includes a carry case for easy transport and storage.
- **Durable Construction:** Heavy-duty frame supports loads up to 150 lbs. Made with durable 600D Polyester fabric that is UV and mildew resistant.
- **Adjustable Handle:** Provides effortless transport and comfortable pulling for users of varying heights.
- **Mesh Cup Holders:** Two integrated mesh cup holders keep beverages secure during transport.

Setup Instructions

The Mac Sports Utility Wagon requires no assembly and sets up in seconds.

1. Remove the folded wagon from its carry bag.
2. Place the wagon on a flat, stable surface.
3. Grasp the top edges of the wagon and pull them apart until the wagon fully extends. The accordion-style floor will flatten into place.
4. Ensure the bottom support panels are flat and secure.
5. Adjust the handle to your desired height by pressing the button on the handle shaft and extending or retracting it.

Figure 2: The wagon fully unfolded and ready for use.

Operating Instructions

Once set up, the wagon is ready to transport your items.

- **Loading:** Place items evenly within the wagon's interior. Do not overload or place items that extend too far beyond the wagon's edges, which could obstruct movement or cause instability.
- **Capacity:** The wagon is designed to comfortably carry up to 150 lbs (68 kg).
- **Pulling:** Use the adjustable handle to pull the wagon. Ensure the handle is securely locked in your preferred position.
- **Maneuvering:** The wagon features four wheels for easy steering. Exercise caution on uneven or soft surfaces like sand or loose gravel, as movement may be more challenging.

Figure 4: The wagon can also be used to transport luggage.

Folding and Storage

To fold the wagon for compact storage:

1. Ensure the wagon is empty and clean.
2. Locate the pull tab in the center of the wagon's floor.
3. Pull the tab upwards firmly. The sides of the wagon will begin to collapse inwards.
4. Continue pulling until the wagon is fully folded into its compact form.
5. Secure the folded wagon with the integrated straps or place it into the provided carry bag.

Figure 6: The folded wagon fits neatly into its protective carry bag.

Maintenance

- **Cleaning:** The durable 600D Polyester fabric can be easily cleaned with a damp cloth and mild soap. Allow to air dry completely before folding and storing.
- **Fabric Care:** The fabric is UV and mildew resistant, but prolonged exposure to harsh weather conditions may reduce its lifespan.
- **Frame Inspection:** Periodically check the metal frame and moving parts for any signs of wear, damage, or loose connections. Tighten any loose screws if necessary.
- **Wheel Care:** Keep the wheels free of debris to ensure smooth operation.

Troubleshooting

- **Wagon not unfolding/folding smoothly:** Ensure the central pull tab is fully engaged or disengaged. Check for any obstructions in the folding mechanism.
- **Difficulty pulling/steering:** Verify that the handle is securely locked in position. Check wheels for debris or damage. Ensure the load is evenly distributed and within the weight limit.
- **Wagon unstable:** Confirm the wagon is fully extended and the bottom support panels are flat. Reduce the load if it feels top-heavy or unstable.

Specifications

Model Number	WTC-145
Product Dimensions (Open)	35"L x 20"W x 23"H
Inside Dimensions	32.5"L x 17.5"W x 10.5"H
Folded Dimensions	29.5"L x 20"W x 8"H
Item Weight	22.5 lbs (10.2 kg)
Load Capacity	150 lbs (68 kg)
Frame Material	Metal (Alloy Steel Handle)
Fabric Material	600 Denier Polyester
Color	Black
Special Feature	Foldable
Number of Wheels	4
