KAWADA NBC_197

nanoblock French Bulldog Pied (NBC_197) Instruction Manual

Model: NBC_197 | Brand: KAWADA

1. Introduction

Thank you for purchasing the nanoblock French Bulldog Pied (NBC_197) building kit. This kit allows you to construct a detailed micro-sized model of a French Bulldog with a pied coat pattern. Designed for light users, this collection series offers an engaging building experience. The finished model features expressive details for the eyes and nose, and a charmingly rendered rear section.

- **Difficulty Level:** 2 out of 5
- **Number of Pieces:** Approximately 120 pieces

2. Product Overview

The nanoblock French Bulldog Pied (NBC_197) is a miniature construction set from KAWADA. It enables the creation of a small, intricate model of a French Bulldog, known for its distinctive appearance. The set includes all necessary micro-sized building blocks to complete the model as depicted on the packaging.

3. Package Contents

Upon opening the package, please verify that all components are present. The nanoblock French Bulldog Pied (NBC_197) kit typically includes:

- Assorted nanoblock pieces (approximately 120 pieces)
- Detailed instruction sheet for assembly

If any parts are missing or damaged, please contact KAWADA customer support.

4. Safety Information

Please read and understand the following safety precautions before assembly.

- **Recommended Age:** This product is intended for ages 12 years and older.
- **Small Parts Warning:** nanoblocks are very small. Keep out of reach of children under 3 years of age due to choking hazards.
- **Material:** The blocks are made of plastic. Do not put blocks in mouth or ingest.
- **Handling:** Handle blocks carefully to avoid loss.

5. Setup and Assembly

Follow the step-by-step instructions provided in the included instruction sheet to assemble your nanoblock French Bulldog Pied.

1. **Preparation:** Open the package and carefully empty the blocks onto a clean, flat surface. It is recommended to sort the blocks by color and shape to facilitate assembly.
2. **Follow Instructions:** Refer to the detailed diagrams in the instruction sheet. Each step will show which blocks to use and where to place them.
3. **Connecting Blocks:** nanoblocks connect by pressing them firmly together. Ensure each block is securely attached to prevent the model from falling apart.
4. **Patience is Key:** Due to the small size of the blocks, assembly requires patience and precision. Take your time to ensure correct placement.

6. Maintenance

To ensure the longevity and appearance of your nanoblock model:

- **Cleaning:** Gently wipe the assembled model with a soft, dry cloth to remove dust. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the blocks. Store loose blocks in a secure

container.

7. Troubleshooting

If you encounter any issues during assembly or with your nanoblock kit, consider the following:

- **Missing Pieces:** Double-check the packaging and your work area. If pieces are genuinely missing, contact KAWADA customer support with proof of purchase.
- **Blocks Not Connecting:** Ensure blocks are aligned correctly and apply firm, even pressure. Avoid forcing blocks if they don't fit, as this may indicate incorrect placement or a damaged block.
- **Model Instability:** Review previous steps in the instruction sheet to ensure all blocks are correctly and securely attached. Loose connections can lead to instability.

8. Specifications

Feature	Detail
Model Number	NBC_197
Brand	KAWADA
Material	Plastic
Number of Pieces	Approximately 120
Recommended Age	12 years and older
