KAWADA NBH130

KAWADA nanoblock Saturn V Rocket Building Kit (Model NBH130)

INSTRUCTION MANUAL

1. Introduction

Thank you for choosing the KAWADA nanoblock Saturn V Rocket Building Kit. This kit allows you to construct a detailed miniature model of the iconic Saturn V Rocket from the Sight to See Series. Designed for enthusiasts aged 8 and above, this model consists of 370 micro-sized building blocks, offering a rewarding and intricate building experience.

What's Included:

- Saturn V Rocket Building Kit (370 pieces)
- Instruction Manual

2. Safety Information

WARNING: CHOKING HAZARD – Small Parts. This product contains small parts and is not suitable for children under 3 years of age. The recommended age for assembly is 8 years and older. Adult supervision is advised during assembly, especially for younger users, to ensure all small pieces are handled appropriately.

3. Assembly Instructions

The nanoblock Saturn V Rocket model is rated at a Level 2 difficulty, indicating an entry-level challenge suitable for beginners and experienced builders alike. Follow the detailed, step-by-step instructions provided in the included manual to construct your model. Due to the micro-sized nature of the blocks (as small as 4mm x 4mm x 5mm), precision and patience are key.

General Assembly Tips:

- Organize your blocks by color and size before starting.
- Work on a clean, flat surface to prevent losing small pieces.
- Refer to the instruction manual for visual guidance on each step.

4. Display and Care

Display:

Once assembled, your nanoblock Saturn V Rocket stands approximately 7.62 inches tall. It is designed for display and can be a striking addition to any collection. The modular design allows for the separation of stages for varied display options.

Care and Maintenance:

To maintain the appearance of your nanoblock model, gently dust it with a soft brush or cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks. If cleaning is necessary, use a slightly damp cloth with mild soap and water, then allow to air dry completely.

5. Troubleshooting

Missing Pieces:

In the rare event of missing pieces, please contact KAWADA customer support. Ensure you have thoroughly checked all packaging materials, as small pieces can sometimes be overlooked.

Assembly Difficulties:

If you encounter difficulties during assembly, re-examine the instruction manual carefully. Sometimes, a small error in an earlier step can affect subsequent steps. Take a break and return to the assembly with fresh eyes if frustration arises.

6. Specifications

Feature	Detail
Brand Name	KAWADA
Model Number	NBH130
Set Name	Space - Saturn V Rocket
Number of Pieces	370
Difficulty Level	2 (on a scale of 1 to 5)
