2. SETUP AND ASSEMBLY

The buffet and hutch units arrive fully assembled. The primary setup involves placing the hutch onto the buffet, inserting the glass panels into the hutch doors, and attaching the provided hardware.

2.1 Unpacking

- Carefully remove all components from the packaging.
- Inspect all parts for any damage. Contact customer support immediately if any damage is found.
- Ensure all hardware and tools are present as per the packing list.

2.2 Hutch Placement

- Position the buffet unit in its desired location.
- With assistance, carefully lift the hutch unit and align it on top of the buffet unit.
- Secure the hutch to the buffet using the provided hardware and tools.

2.3 Glass Panel Installation

- Insert the glass panels into the designated slots within the hutch doors.
- Ensure the glass is securely seated. The glass is removable for easy cleaning.

2.4 Door Knob Installation

- Attach the door knobs to all doors and drawers using the provided screws.

3. OPERATING INSTRUCTIONS

3.1 Doors and Drawers

- The buffet features three raised panel doors and two felt-lined drawers.
- The hutch features three glass doors.
- To open drawers, gently pull the knobs. The drawers are equipped with smooth Euro glides for easy operation.
- To open doors, turn the knob and pull.

3.2 Interior Lighting

- The hutch includes two interior lights to illuminate displayed items.
- Locate the light switch, typically positioned discreetly on the hutch.
- Toggle the switch to turn the lights on or off.

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your China cabinet.

- **Cleaning:** Clean the wood surfaces with a light furniture polish. Wipe with a dry, lint-free cloth. Avoid abrasive cleaners or harsh chemicals.
- **Glass Cleaning:** The glass panels are removable for easier cleaning. Use a standard glass cleaner and a soft cloth.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood finish.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause fading or warping. Maintain a consistent humidity level in the room.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your China cabinet.

5.1 Doors or Drawers Sticking

- **Check for Obstructions:** Ensure no items inside the cabinet or drawer are blocking its movement.

- **Lubrication:** For drawers, a small amount of silicone spray or wax on the Euro glides can improve smoothness.
- **Alignment:** If a door appears misaligned, check the hinge screws. Tighten if loose.

5.2 Interior Lights Not Working

- **Power Connection:** Verify that the cabinet is properly plugged into a working electrical outlet.
- **Light Switch:** Ensure the light switch is in the 'ON' position.
- **Bulb Check:** If applicable, check if the light bulb needs replacement. Refer to the bulb type specified in the product documentation.
