PACKAGE CONTENTS

Please ensure all components are present before beginning assembly:

- Quilted Double Hammock (Blue and Green)
- Universal Hammock Stand (Black Steel Frame)
- Detachable Button-On Pillow
- Chains and S-hooks
- Assembly Hardware

SETUP INSTRUCTIONS

Assembly of the freestanding hammock set is designed to be quick and easy, requiring no special tools. All joints lock together with simple spring-snap button mechanisms.

1. Unpack all components and verify against the package contents list.
2. Assemble the universal hammock stand by connecting the steel frame pieces. Ensure all spring-snap buttons are securely engaged.
3. Attach the hammock to the stand using the provided chains and S-hooks. The stand can be adjusted to accommodate hammocks ranging from 9.5 to 14 feet long.
4. Secure the detachable pillow to the hammock using its button-on attachments.

Note: If hanging the hammock from trees (without the stand), ensure the trees are sturdy and use appropriate tree straps and hardware (not included) that can safely support up to 450 pounds.

OPERATING INSTRUCTIONS

The Sunnydaze Quilted Double Hammock is designed for comfortable use by up to two adults. The hammock with its universal stand has a weight capacity of 440 pounds. If the hammock is hung from trees, it can support up to 450 pounds.

For optimal stability and safety, always sit in the center of the hammock and swing your legs up to distribute weight evenly. Avoid sudden movements or standing in the hammock.

Spacious Design, Exceptional Strength

Generously sized for two with a 450 lb weight capacity, plus a solid hardwood spreader bar ensures even weight distribution for a secure, stable lounging experience.

MAINTENANCE

Proper maintenance will extend the lifespan and preserve the appearance of your hammock.

- **Cleaning:** The hammock fabric is hand wash only. To clean, simply scrub with a soft brush, mild detergent, and water. Rinse thoroughly with a hose and allow it to air dry completely. The quick-dry, moisture-wicking fabric dries rapidly after rain or morning dew.
- **Storage:** To prevent fading from sun exposure and general wear, always store the hammock and stand indoors or under protective cover when not in use, especially during inclement weather or throughout the winter months.
- **UV Resistance:** The dye-treated polyester fabric is UV-resistant to help prevent fading from sun exposure.

TROUBLESHOOTING

This section addresses common concerns. For issues not listed, please contact customer support.

- **Hammock Sags Too Low:** Ensure the chains are adjusted to the appropriate length. The universal stand is

adjustable to fit hammocks between 9.5 and 14 feet long. Adjust the chain length to achieve the desired height and tension.

- **Stand Instability:** Verify that all stand components are fully connected and secured with the spring-snap buttons. Ensure the stand is placed on a flat, level surface.
- **Fading Fabric:** While the fabric is UV-resistant, prolonged exposure to direct sunlight can still cause some fading over time. Store the hammock indoors or under cover when not in use to minimize this.

SPECIFICATIONS

Brand	Sunnydaze Decor
Model Number	BGHFWP-MHS-Combo
Material	Polyester
