Skullcandy Ink'd Wireless

Skullcandy Ink'd Wireless In-Ear Earbuds User Manual

Model: Ink'd Wireless

INTRODUCTION

This manual provides comprehensive instructions for the Skullcandy Ink'd Wireless in-ear earbuds. It covers product features, setup, operation, maintenance, and troubleshooting to ensure optimal performance and user experience. Please read this manual thoroughly before using your earbuds.

PACKAGE CONTENTS

Verify that all items are present in your product packaging:

- Skullcandy Ink'd Wireless In-Ear Earbuds
- USB Charging Cable
- Ear Cushions (2 pair standard gels, likely including pre-installed)
- Basic Instructions

SETUP

1. Charging the Earbuds

Before initial use, fully charge your Skullcandy Ink'd Wireless earbuds. Use the provided USB charging cable.

1. Locate the charging port on one of the control modules (typically on the right side).
2. Connect the small end of the USB charging cable to the earbud's charging port.
3. Connect the larger end of the USB cable to a USB power source (e.g., computer USB port, wall adapter).
4. A red indicator light will illuminate during charging. The light will change to blue or turn off when charging is complete.

A full charge takes approximately 2.5 hours and provides up to 8 hours of battery life.

2. Bluetooth Pairing

Pair your earbuds with your Bluetooth-enabled device (smartphone, tablet, computer) to begin wireless audio playback.

1. Ensure the earbuds are powered off.
2. Press and hold the main power/multifunction button (often marked with the Skullcandy logo) until the LED indicator light begins to flash red and blue, indicating pairing mode.
3. On your device, navigate to the Bluetooth settings and ensure Bluetooth is enabled.
4. Look for "Ink'd Wireless" or a similar name in the list of available devices and select it to connect.
5. Once successfully paired, the LED indicator on the earbuds will typically flash blue intermittently or turn solid blue.

The earbuds have a Bluetooth range of approximately 9.14 meters (30 feet).

OPERATING INSTRUCTIONS

The Skullcandy Ink'd Wireless earbuds feature integrated controls for managing audio playback and calls.

Controls Overview

- **Power On/Off:** Press and hold the main multifunction button (Skullcandy logo) for a few seconds.
- **Play/Pause:** Short press the main multifunction button.
- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.
- **Next Track:** Long press the '+' button.
- **Previous Track:** Long press the '-' button.
- **Answer/End Call:** Short press the main multifunction button.

- **Reject Call:** Long press the main multifunction button.
- **Activate Voice Assistant:** (If supported by your device) Double-press the main multifunction button.

The contoured buttons are designed for easy tactile identification without needing to look.

Wearing the Earbuds

The Ink'd Wireless earbuds feature a lightweight design with a flex-fit collar. Place the collar around your neck, allowing the earbuds to rest comfortably in your ears. Adjust the ear gels for a secure and noise-isolating fit. Proper fit is crucial for optimal sound quality and call performance.

MAINTENANCE

To ensure the longevity and performance of your Skullcandy Ink'd Wireless earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the ear gels and the earbud nozzles with a soft, dry, lint-free cloth. Remove ear gels and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in a clean, dry place away from extreme temperatures. The flexible collar allows for compact storage.
- **Avoid Moisture:** While the earbuds are designed to be sweat-proof, avoid submerging them in water or exposing them to heavy rain.
- **Cable Care:** Do not pull on the cables excessively, as this can damage internal wiring.

TROUBLESHOOTING

If you encounter issues with your Skullcandy Ink'd Wireless earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not turning on	Ensure the earbuds are fully charged. Connect them to a power source using the USB cable.
Cannot pair with device	Ensure earbuds are in pairing mode (flashing red/blue LED). Turn off and on your device's Bluetooth. Forget "Ink'd Wireless" from your device's Bluetooth list and attempt to pair again. Ensure earbuds are not already connected to another device.
No sound or low volume	Increase volume on both the earbuds and your connected device. Ensure earbuds are properly seated in your ears and ear gels provide a good seal. Check if the earbuds are connected to the correct audio output on your device.
Poor call quality (microphone)	Ensure the microphone is not obstructed. Move to a quieter environment. Ensure a stable Bluetooth connection.
Intermittent connection/skipping	Reduce the distance between the earbuds and your device. Avoid physical obstructions between the earbuds and your device. Ensure the earbuds and your device are sufficiently charged.

SPECIFICATIONS

Model Name	Ink'd Wireless
Connectivity Technology	Bluetooth
Wireless Communication Technology	Bluetooth
Noise Control	Sound Isolation
