# MasterPRO Foodies Oil Spray User Manual

MODEL: Q2474

## 1. INTRODUCTION

Thank you for choosing the MasterPRO Foodies Oil Spray. This manual provides essential information for the proper setup, operation, and maintenance of your new oil spray. Designed for precision and health-conscious cooking, this stainless steel spray ensures an even application of oil, perfect for air frying and a variety of culinary tasks. Please read this manual thoroughly before first use to ensure optimal performance and longevity of your product.

Key features include precise 100 ml spraying, suitability for air fryers for homogeneous and healthy results, an elegant design, and versatile use with different oils and liquids. MasterPRO products are certified by the Cook & Chef Institute Foundation, guaranteeing quality and food safety.

## 2. PRODUCT OVERVIEW

The MasterPRO Foodies Oil Spray is a compact and efficient kitchen tool. It features a sleek stainless steel body, designed for durability and ease of use. Its precise spray mechanism helps control oil consumption, promoting healthier cooking habits.

Image 2.2: The MasterPRO Foodies Oil Spray with its approximate height of 17.4 cm, illustrating its compact size.

### Product Components:

- Stainless Steel Spray Bottle
- Integrated Spray Nozzle
- Pump Mechanism

## 3. SETUP

Before first use, ensure the oil spray is clean and dry.

1. **Unpack:** Carefully remove the oil spray from its packaging.
2. **Clean:** Wash the interior and exterior of the spray bottle with warm, soapy water. Rinse thoroughly and allow to air dry completely.
3. **Fill:** Unscrew the top section of the spray bottle. Pour your desired cooking oil (e.g., olive oil, sunflower

oil, vinegar) into the bottle. Do not overfill; leave some space at the top for the pump mechanism. The capacity is approximately 100 ml (or 140 ml according to some specifications).

Image 3.1: Demonstrating how to fill the oil spray bottle with cooking oil.

4. **Assemble:** Screw the top section back onto the bottle securely.
5. **Prime:** Before first use, pump the spray mechanism a few times until a consistent spray is achieved. This builds pressure inside the bottle.

## 4. OPERATING INSTRUCTIONS

The MasterPRO Foodies Oil Spray is designed for easy and efficient oil application.

1. **Hold:** Hold the spray bottle upright, approximately 10-15 cm (4-6 inches) away from the food or cooking surface.
2. **Press:** Press the pump button firmly and quickly to release a fine mist of oil. For a continuous spray, maintain pressure on the button.

## **Fabricado en acero inoxidable**

Material extremadamente resistente y ligero

Image 4.1: A hand demonstrating the proper way to hold and operate the oil spray for an even mist.

## Estilo moderno

Diseño moderno, funcional, de líneas rectas y en un tono acero mate

Image 4.2: Illustrating the application of oil onto food, ensuring a controlled and even distribution.

- **For Air Fryers:** Spray a light, even coat of oil on ingredients before placing them in the air fryer for a crispy and healthy result.
- **Salads:** Lightly mist salads for a controlled dressing application.
- **Pans & Grills:** Use to lightly grease pans, baking sheets, or grill grates.

## 5. MAINTENANCE

Proper maintenance ensures the longevity and hygiene of your MasterPRO Foodies Oil Spray.

### Cleaning:

- **Hand Wash Only:** The oil spray should be washed by hand. Do not place it in a dishwasher.
- **Regular Cleaning:** After each use, or at least regularly, empty any remaining oil. Unscrew the top and wash both parts with warm water and a mild dish soap.
- **Rinse Thoroughly:** Ensure all soap residue is removed.
- **Dry Completely:** Allow all components to air dry completely before reassembling and refilling to prevent

moisture buildup and potential clogging.

Storage:

- Store the oil spray in a cool, dry place, away from direct sunlight and heat sources.
- If storing for an extended period, ensure it is empty and thoroughly cleaned.

6. TROUBLESHOOTING

If you encounter issues with your MasterPRO Foodies Oil Spray, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No spray or weak spray	Insufficient pressure; Clogged nozzle; Low oil level	Pump the spray button several times to build pressure; Clean the nozzle thoroughly; Refill the oil.
Oil comes out as a stream, not a mist	Nozzle partially clogged; Insufficient pressure; Oil too thick	Clean the nozzle thoroughly; Pump more to build pressure; Use a thinner oil or dilute with a small amount of water if appropriate for your use (e.g., for vinegar).
Leaking from the top	Top not screwed on tightly; Damaged seal	Ensure the top is screwed on securely; Inspect the seal for damage and replace if necessary.

If the problem persists after trying these solutions, please contact MasterPRO customer support.

7. SPECIFICATIONS

Feature	Detail
Brand	MasterPRO
Model Number	Q2474
Color	Silver
Material	Stainless Steel
Capacity	100 ml (or 140 Milliliters as per some specifications)
Product Dimensions (L x W x H)	18 x 8 x 8 cm (approx. 40l x 174H millimeters)
Item Weight	260 grams
Recommended Use	Cooking oil
Special Feature	Lightweight

## 8. WARRANTY AND SUPPORT

MasterPRO products are manufactured to high-quality standards. Spare parts availability is indicated for 3 years from the date of purchase.

For any questions, technical support, or warranty claims, please refer to the contact information provided on the product packaging or visit the official MasterPRO website. Please have your model number (Q2474) and proof of purchase ready when contacting support.
