4. SETUP & PREPARATION (HOW TO USE)

Preparing your Ultima Replenisher is quick and easy. Follow these simple steps for optimal hydration:

1. **Open Stickpack:** Tear open one individual Ultima Replenisher Raspberry stickpack.
2. **Add to Water:** Pour the contents of one stickpack into 16 fluid ounces (approximately 2 cups) of

water.

- Mix Thoroughly:** Shake or stir well until the powder is completely dissolved. The powder mixes smoothly without clumping.
- Optional:** Add ice for a colder, more refreshing drink.
