# LOLA Outdoor Floor Lamp

Model: LUMLL165OFNW

Brand: Newgarden

## 1. PRODUCT OVERVIEW

---

The Newgarden LOLA Outdoor Floor Lamp is designed to provide powerful and efficient lighting for both indoor and outdoor environments. Crafted from durable polyethylene, this lamp features a timeless design and is built to withstand various weather conditions, making it a versatile addition to your home or garden.

### Key Features:

- **Iconic Design:** Timeless aesthetic that enhances any space, indoors or outdoors.
- **High Durability:** Constructed from weather-resistant polyethylene with an IP65 rating, ensuring water resistance and resilience against adverse weather.
- **Versatile Illumination:** Emits 2000 lumens of cool white LED light, suitable for creating various ambiances.
- **Easy Placement:** Equipped with a cable for simple connection, allowing flexible positioning.
- **Atmospheric Enhancement:** Its imposing height of 165 cm and enveloping light create a warm and inviting atmosphere.

## 2. SAFETY INSTRUCTIONS

---

Please read all safety instructions carefully before installing and operating the LOLA Outdoor Floor Lamp. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Ensure the power supply is disconnected before installation, maintenance, or cleaning.

- This product is rated IP65, meaning it is protected against dust ingress and low-pressure water jets from any direction. While suitable for outdoor use, avoid submerging the lamp in water.
- Use only the specified bulb type (LED T8 150cm, G13 base) and wattage (22W) to prevent damage and ensure safe operation.
- Do not attempt to modify or disassemble the lamp. Refer all servicing to qualified personnel.
- Keep the lamp away from flammable materials and heat sources.
- Ensure the lamp is placed on a stable, level surface to prevent tipping.
- Regularly inspect the power cable for any signs of damage. If damaged, do not use the lamp and contact customer support.

### 3. PACKAGE CONTENTS

---

Verify that all components are present and undamaged upon opening the package:

- 1 x LOLA Outdoor Floor Lamp Body
- 1 x LED Bulb (1x22W tube LED T8 150cm, G13 base)
- 1 x Power Cable with In-line Switch

### 4. SETUP

---

The LOLA lamp is designed for easy setup and floor mounting. Follow these steps for installation:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Bulb Installation:** Insert the provided LED bulb into the lamp's G13 socket. Ensure it is securely seated.
3. **Positioning:** Choose a desired location for the lamp. Its robust polyethylene construction and IP65 rating make it suitable for both indoor and outdoor use. Ensure the surface is flat and stable.
4. **Connection:** Plug the lamp's power cable into a standard 240V electrical outlet.

## 5. OPERATING INSTRUCTIONS

---

The LOLA Outdoor Floor Lamp is simple to operate:

- Once plugged into a power outlet, locate the in-line switch on the power cable.
- Toggle the switch to the "ON" position to illuminate the lamp.
- Toggle the switch to the "OFF" position to turn off the lamp.
- The lamp provides a cool white light at 6500 Kelvins with a brightness of 2000 lumens, ideal for general illumination.

## 6. MAINTENANCE

---

To ensure the longevity and optimal performance of your LOLA Outdoor Floor Lamp, follow these maintenance guidelines:

- **Cleaning:** Disconnect the lamp from the power supply before cleaning. Wipe the polyethylene surface with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid abrasive cleaners or solvents, as they may damage the finish.
- **Inspection:** Periodically check the lamp body and power cable for any signs of wear, cracks, or damage.
- **Bulb Replacement:** If the LED bulb needs replacement, ensure the lamp is unplugged. Replace with a compatible 1x22W tube LED T8 150cm bulb with a G13 base.
- **Storage:** If storing the lamp for extended periods, especially during extreme weather, clean it thoroughly and store it in a dry, protected area.

## 7. TROUBLESHOOTING

---

If you encounter issues with your LOLA Outdoor Floor Lamp, refer to the following common problems and solutions:

| Problem                     | Possible Cause  | Solution  |
|-----------------------------|---|---|
| Lamp does not turn on.      | No power to the outlet.<br>In-line switch is OFF.<br>Bulb is loose or faulty. | Check the power outlet with another device.<br>Ensure the in-line switch is in the ON position.<br>Unplug the lamp, check if the bulb is securely seated.<br>Replace bulb if necessary. |
| Light is flickering or dim. | Loose bulb connection.<br>Incorrect bulb type.<br>Power fluctuations.         | Unplug the lamp and re-seat the bulb.<br>Ensure the correct LED bulb type (1x22W T8 G13) is used.<br>Check your electrical supply.  |
| Lamp is damaged.            | Physical impact.<br>Exposure to extreme conditions beyond IP65 rating.        | Discontinue use. Contact Newgarden customer support for assistance. Do not attempt repairs yourself.  |

If the problem persists after trying these solutions, please contact Newgarden customer support.
