Skull and Bones Pirate Hat User Manual

Brand: amscan | **Model:** 846172

PRODUCT OVERVIEW

The Skull and Bones Pirate Hat is a distinctive accessory designed to complement pirate costumes and for various themed events. This black velour hat features a prominent 3D Jolly Roger emblem at its center, accented with elegant gold binding along its edges. An attached red and black striped headband enhances the authentic pirate look.

Package Contents:

- 1 x Skull and Bones Pirate Hat

This hat is suitable for most teenagers and adults, making it an ideal choice for role-playing, Halloween parties, and other costume-themed gatherings.

SETUP

The Skull and Bones Pirate Hat requires minimal setup. Upon receiving the hat, carefully remove it from its packaging. Gently reshape the hat if it has been compressed during shipping to restore its original form. The attached red and black striped headband is pre-positioned and does not require separate attachment.

Figure 1: Front view of the Skull and Bones Pirate Hat in use.

This image displays the pirate hat from the front, worn by an individual. It highlights the black velour material, the distinctive gold trim along the edges, and the central skull and bones emblem. The red and black striped headband is visible beneath the hat, contributing to the overall pirate aesthetic.

OPERATING INSTRUCTIONS

To wear the Skull and Bones Pirate Hat, simply place it on your head. Ensure the hat is positioned comfortably and securely. The attached red and black striped headband should rest around your forehead, providing additional stability and completing the pirate look. Adjust the hat as needed for optimal fit and appearance.

Figure 2: Side view of the Skull and Bones Pirate Hat.

This image provides a side perspective of the pirate hat, showcasing its black velour texture and the intricate gold binding that outlines its shape. The 3D Jolly Roger emblem is visible from this angle, and the red and black striped headband hangs down, illustrating its design and attachment.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Skull and Bones Pirate Hat, follow these care guidelines:

- **Cleaning:** Spot clean only with a damp cloth. Do not machine wash, bleach, or tumble dry.
- **Storage:** Store the hat in a cool, dry place away from direct sunlight to prevent fading and material degradation. Avoid crushing or folding the hat to maintain its shape.
- **Handling:** Handle the hat by its brim or main body. Avoid pulling on the emblem or headband excessively.

TROUBLESHOOTING

If you encounter any issues with your Skull and Bones Pirate Hat, consider the following:

- **Hat is misshapen:** Gently reshape the hat by hand. If stored improperly, it may take some time for the velour to return to its original form.
- **Emblem or trim loose:** Inspect the stitching or adhesive. If minor, a small amount of fabric glue may be used for reattachment. For significant damage, contact the manufacturer.
- **Fading or discoloration:** This may occur with prolonged exposure to direct sunlight. Store the hat properly when not in use.

SPECIFICATIONS

Attribute	Detail
Brand	amscan

Model Number	846172
ASIN	B01EHM2B3K
Product Dimensions	300 x 150 x 150 cm (approximately 118 x 59 x 59 inches)
Item Weight	68 g (approximately 2.4 ounces)
Manufacturer	amscan
First Available Date	June 17, 2016
Origin	Imported
Product Discontinued	No
