# Villeroy & Boch Soup Passion Tureen with Lid Instruction Manual

This manual provides essential information for the proper use and care of your Villeroy & Boch Soup Passion Tureen with Lid. Please read thoroughly before first use.

## 1. PRODUCT OVERVIEW

---

The Villeroy & Boch Soup Passion Tureen with Lid is designed for preparing and serving delicious soups, stews, and casseroles. Its deep shape is suitable for larger portions, serving approximately 4 people. Crafted from premium porcelain, this tureen is ovenproof, allowing for gratinating dishes directly within it. Integrated handles facilitate easy transport to the table, and the matching lid ensures food remains warm and prevents splashing during serving.

### Key Features:

- Ergonomic design with integrated handles for comfortable use.
- Ovenproof material, safe for baking and gratinating up to 390 °F (200 °C).
- Matching lid for heat retention and splash-free serving.
- Made from high-quality Premium Porcelain in Germany.
- Dishwasher and microwave safe for convenience.
- Generous 84.5 oz capacity.

## 2. SETUP

---

1. **Unboxing:** Carefully remove the tureen and lid from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, wash the tureen and lid thoroughly with warm soapy water. Rinse well and dry completely.
3. **Placement:** Place the tureen on a stable, heat-resistant surface when in use, especially after heating.

## 3. OPERATING INSTRUCTIONS

---

### Serving Soups and Stews:

- Prepare your desired soup, stew, or casserole.
- Carefully transfer the hot food into the tureen.
- Place the lid securely on top to retain heat and prevent spills.
- Use the integrated handles to transport the tureen to your dining table. Always use oven mitts or a thick cloth if the tureen is hot.

## Oven and Microwave Use:

- The tureen is oven safe up to 390 °F (200 °C). It can be used for baking or gratinating dishes.
- Ensure the tureen is at room temperature before placing it in a preheated oven to avoid thermal shock.
- The tureen is also microwave safe for reheating food.
- Always use caution when removing the tureen from the oven or microwave as it will be hot.

## 4. MAINTENANCE AND CARE

- **Cleaning:** The tureen and lid are dishwasher safe. For best results, place them securely in the dishwasher to prevent movement during the cycle. Hand washing with mild detergent and a soft sponge is also suitable.
- **Drying:** Ensure the tureen and lid are completely dry before storing to prevent water spots.
- **Storage:** Store in a cabinet or on a shelf where it is protected from accidental bumps or falls.

- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch or damage the porcelain surface.
- **Temperature Changes:** While oven safe, avoid extreme and sudden temperature changes (e.g., moving directly from a hot oven to cold water) to prevent thermal shock and potential cracking.

## 5. TROUBLESHOOTING

---

- **Food Sticking:** If food residue is difficult to remove, soak the tureen in warm soapy water for a period before cleaning.
- **Stains:** For stubborn stains, a paste of baking soda and water can be gently applied and left for a short time before rinsing.
- **Chipping/Cracking:** Porcelain is durable but can chip or crack if dropped or subjected to severe impact. Handle with care. Avoid using chipped or cracked items as they may pose a safety risk.
