AQUA CREST AQK-CRF-950Z

AQUA CREST CRF-950Z NSF Certified Pitcher Water Filter User Manual

Model: AQK-CRF-950Z

PRODUCT OVERVIEW

The AQUA CREST CRF-950Z water filter is designed as a replacement for various PUR pitcher and dispenser models. It features multi-stage filtration technology to reduce chlorine, bad taste, odors, and other contaminants, providing cleaner and fresher water.

Image: Four AQUA CREST CRF-950Z water filters, showcasing the product and its packaging.

This filter is NSF 372 certified for lead-free material and NSF 42 certified for the reduction of 96.5% of chlorine, bad taste, and odors.

NSF/ANSI 42 & 372 certified

**NSF/ANSI
42**

Reduces Chlorine
by 96.5%

SETUP AND INSTALLATION

Follow these steps for proper installation of your AQUA CREST water filter into a compatible PUR pitcher or dispenser.

1. **Prepare the Filter:** Before first use, it is recommended to flush the filter under cold tap water for a few minutes to

remove any carbon dust.

2. **Insert the Filter:** Align the filter with the opening in your PUR pitcher or dispenser reservoir.
3. **Secure the Filter:** Gently push and twist the filter into place until it is seated firmly. Ensure there is no leakage around the seal.
4. **Initial Filtration:** Discard the first one or two pitchers of filtered water to allow the filter to prime and remove any remaining carbon fines.

OPERATING INSTRUCTIONS

The AQUA CREST filter utilizes a multi-stage filtration process to purify water.

- **Pre-filtration Layer:** Removes larger particles.
- **High-quality Ion Exchange Resin:** Addresses specific contaminants.

- **100% Natural Coconut Shell Activated Carbon:** Effectively reduces chlorine, taste, and odor.
- **Additional Pre-filtration Layer:** Ensures comprehensive filtration.

4 layers of powerful filtration

Compatible models include: PPT700W, CR-1100C, DS-1800Z, CR-6000C, PPT711W, PPT711, PPT710W, PPT111W, PPT111R, DS1811Z, CR1100CV3, PPT700LA, CR1111WLCR, PDI4000ZAM, and more.

For optimal performance and water quality, it is important to replace your AQUA CREST filter regularly. The filter is designed to last for approximately 60 gallons of water, which typically translates to about 2 months of use, depending on your water quality and consumption.

Extending lifespan by 50%

Green yet economical
More durable in different water quality!

AQUA
CREST

60 gallons

Others

40 gallons

Image: Comparison illustrating the extended lifespan of the AQUA CREST filter (60 gallons) versus other filters (40 gallons).

Regular replacement ensures continued reduction of contaminants and maintains the fresh taste of your water. A filter change indicator on your pitcher (if available) will signal when a replacement is due.

TROUBLESHOOTING

If you encounter any issues with your AQUA CREST water filter, consider the following common troubleshooting steps:

- **Slow Filtration Rate:**

- Ensure the filter is properly seated and sealed in the reservoir. Remove and re-insert if necessary.
- The filter may be nearing the end of its lifespan and is becoming clogged. Replace the filter if it has been in use for an extended period or if water flow significantly decreases.

- **Unpleasant Taste or Odor:**

- Ensure the filter was properly flushed before first use.
- The filter may have reached its capacity. Replace the filter.
- Check the water source for any unusual issues.

- **Leakage:**

- Verify that the filter is securely twisted and sealed into the pitcher/dispenser.
- Inspect the filter's O-ring for any damage or misalignment.

If problems persist after attempting these steps, please refer to the manufacturer's support channels.

SPECIFICATIONS

Feature	Detail
Brand	AQUA CREST
Model Number	AQK-CRF-950Z
Material	Lead-Free & Food-Grade Material, Activated Carbon & Resin
Product Dimensions	2.3"D x 6.4"W x 2.3"H
Item Weight	1.34 Pounds
External Testing Certification	NSF 42, NSF 372
Product Benefits	Reduces Chlorine, Mercury, Rust, Sediment, Heavy Metals, Suspended Particles, Bad Taste & Odors
UPC	840814121429
Unit Count	4.0 Count (for this package)
Compatible Water Purifier Models	PUR CRF-950Z, PPF951K, PPF900Z; PUR PLUS Pitchers and Dispensers: PPT700W, CR-1100C, DS-1800Z, CR-6000C, PPT711W, PPT711, PPT710W, PPT111W, PPT111R, DS1811Z, CR1100CV3, PPT700LA, CR1111WLCR, PDI4000ZAM
Date First Available	April 26, 2016
