Urbanista 1033403

Urbanista Melbourne Bluetooth Speaker (Model 1033403) User Manual

INTRODUCTION

Welcome to your new Urbanista Melbourne Bluetooth Speaker. This manual provides comprehensive instructions for setting up, operating, and maintaining your speaker. The Urbanista Melbourne delivers high-quality sound from an ultra-compact, flat design, connecting to your music via Bluetooth. It is compatible with Android, iOS, and Windows devices, offering a built-in microphone for call handling and touch controls for ease of use.

WHAT'S IN THE BOX

Typically, your Urbanista Melbourne package includes the following items:

- Urbanista Melbourne Bluetooth Speaker
- USB Charging Cable
- User Manual

The Urbanista Melbourne Bluetooth Speaker neatly placed within its original retail packaging, indicating how the product is

PRODUCT OVERVIEW

Familiarize yourself with the speaker's components and controls.

Close-up view of the top panel of the Urbanista Melbourne speaker, highlighting the power, volume, and Bluetooth/call control buttons.

- **Power Button:** Press and hold to turn the speaker on or off.
- **Volume Up (+) / Next Track:** Press to increase volume. Press and hold to skip to the next track.
- **Volume Down (-) / Previous Track:** Press to decrease volume. Press and hold to go to the previous track.
- **Bluetooth / Play / Pause / Call Button:** Press to play/pause music. Press to answer/end calls. Press and hold to reject a call or activate Bluetooth pairing mode.
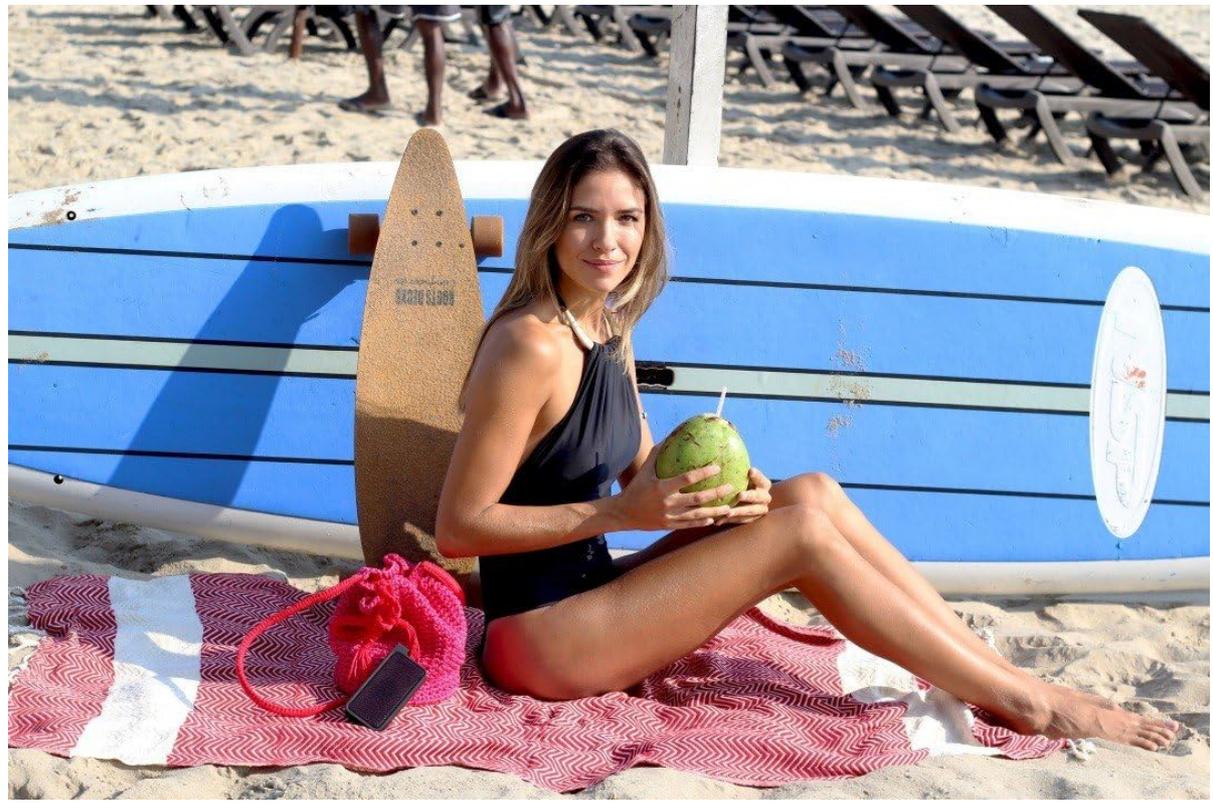

SETUP

1. Charging the Speaker

Before first use, ensure the speaker is fully charged. Connect the provided USB charging cable to the speaker's charging port and to a compatible USB power source (e.g., wall adapter, computer USB port). The LED indicator will illuminate to show charging status and turn off or change color when fully charged.

2. Powering On/Off

- To power on: Press and hold the **Power Button** until you hear an audible cue or see the LED indicator light up.
- To power off: Press and hold the **Power Button** again until you hear an audible cue or the LED indicator turns off.

3. Bluetooth Pairing

1. Ensure the Urbanista Melbourne speaker is powered on and within close proximity to your device.
2. Activate Bluetooth on your audio source device (smartphone, tablet, laptop).
3. On your device, search for available Bluetooth devices. You should see "Urbanista Melbourne" in the list.
4. Select "Urbanista Melbourne" to initiate the connection. The speaker will provide an audible confirmation once successfully paired.

MAINTENANCE

Cleaning

To clean your speaker, gently wipe its surface with a soft, dry cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish or internal components.

Storage

When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight, extreme temperatures, and excessive humidity. Protect it from dust and physical impact.

Battery Care

To maximize battery lifespan, fully charge the speaker before storing it for long durations. Avoid completely discharging the battery frequently, as this can reduce its overall capacity over time.

TROUBLESHOOTING

If you encounter any issues with your Urbanista Melbourne speaker, please refer to the following common problems and solutions:

Problem	Solution
Speaker does not power on.	Ensure the battery is charged. Connect the speaker to a power source using the USB cable and allow it to charge for a period.

Problem	Solution
Cannot pair with Bluetooth device.	Ensure the speaker is powered on and in Bluetooth pairing mode. Turn off and then on Bluetooth on your device. Move the speaker closer to your device. Clear previous Bluetooth connections on your device and try pairing again.
No sound or low volume.	Check the volume level on both the speaker and your connected device. Ensure the speaker is properly paired and connected to your device.
Sound distortion.	Move the speaker closer to your device to avoid interference. Reduce the volume on both the speaker and your device to prevent clipping.
