## 5. OPERATING AND USAGE

### Adjustable Shelf

The unit includes one adjustable shelf. To adjust its height, remove the shelf and reposition the shelf pins into the desired holes on the side panels. Ensure the shelf is level and securely seated on all four pins before placing items on it.

### Stacking Units

For increased storage capacity, two corner units (sold separately) can be safely stacked using the included stacking hardware. Follow the specific instructions in the assembly manual for secure stacking. This allows for utilization of vertical space in closets or other areas.

## 6. MAINTENANCE

To clean the unit, simply wipe with a dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.

## 7. TROUBLESHOOTING

If you encounter any issues during assembly or use, please review the installation manual for common solutions. Ensure all hardware is tightened correctly and that the unit is placed on a level surface. If parts are missing or damaged, refer to the warranty information for replacement procedures.
