MAINTENANCE

To maintain the clarity and longevity of your MIRRORVANA mirror, follow these simple maintenance guidelines:

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, then wipe the surface gently. Avoid harsh chemicals or abrasive materials that could scratch the glass or damage the finish.
- **Cleaning the Stand and Base:** Wipe the chrome-finished stand and base with a soft, damp cloth. Dry immediately with a clean, dry cloth to prevent water spots.
- **Storage:** If disassembling for storage or travel, ensure all parts are clean and dry. Store in a protective covering to prevent scratches.
