Samsung SM-R3600DAAXAR

Samsung Gear Fit2 Smartwatch (SM-R3600DAAXAR) User Manual

Model: SM-R3600DAAXAR

1. INTRODUCTION

The Samsung Gear Fit2 is a versatile smartwatch designed to help you monitor your fitness and stay connected. It automatically tracks various activities, including steps, distance, and heart rate, and features a built-in GPS for accurate route mapping. This manual provides essential information for setting up, operating, and maintaining your Gear Fit2 smartwatch.

2. WHAT'S IN THE Box

Upon unboxing your Samsung Gear Fit2, verify that all the following components are included:

- Samsung Gear Fit2 Smartwatch
- Band Strap (Large Size)
- Charging Dock
- Quick Start Guide
- User Manual

3. PRODUCT OVERVIEW AND KEY FEATURES

The Samsung Gear Fit2 is engineered to provide comprehensive fitness tracking and smart notifications. Its intuitive design and robust features support an active lifestyle.

Figure 1: Front view of the Samsung Gear Fit2 Smartwatch showing time, steps, calories, and heart rate.

- **Activity Tracking:** Track your step count, calories burned, heart rate, sleep quality, and more.
- **Built-in GPS:** Accurately map your runs and other outdoor activities.
- **Automatic Exercise Recognition:** The device automatically recognizes and starts tracking multiple exercises.
- **Music Storage & Streaming:** Store your favorite music directly on the Gear Fit2 or connect with Spotify to access millions of songs.
- **Notifications:** Receive and respond to notifications directly from your wrist.
- **Compatibility:** Compatible with both Android and iOS smartphones.

Figure 2: Illustration showing the dimensions of the Gear Fit2 and the size differences between the small (125mm-170mm) and large (155mm-210mm) band straps.

4. SETUP

4.1 Initial Charging

Before first use, fully charge your Samsung Gear Fit2. Connect the charging dock to a power source and place your Gear Fit2 onto the dock. The screen will indicate charging status.

4.2 Pairing with a Smartphone

To unlock the full potential of your Gear Fit2, pair it with a compatible smartphone (Android 4.4+ with 1.5GB RAM or iOS). Download the Samsung Gear app from your device's app store. Follow the on-screen instructions in the app to connect your smartwatch via Bluetooth.

5. OPERATING YOUR GEAR FIT2

5.1 Basic Navigation

- **Swipe Up/Down:** Access notifications or quick settings.
- **Swipe Left/Right:** Navigate through widgets and apps.
- **Home Button:** Press to return to the watch face or long-press for power options.
- **Back Button:** Press to go back to the previous screen.

5.2 Activity Tracking

The Gear Fit2 automatically detects and logs various activities. You can view your daily stats, including steps, distance, calories, and heart rate, directly on the watch face or through the Samsung Health app on your smartphone.

5.3 Music Playback

Transfer music files to your Gear Fit2 or stream directly from Spotify (subscription may be required). Control playback, volume, and track selection from your wrist.

5.4 Notifications

Receive alerts for calls, messages, and app notifications. You can customize which notifications appear on your Gear Fit2 via the Samsung Gear app.

6. MAINTENANCE

6.1 Cleaning

Regularly clean your Gear Fit2 to ensure optimal performance and hygiene. Use a soft, lint-free cloth to wipe the screen and body. For the band, use mild soap and water, then rinse thoroughly and dry completely before wearing.

6.2 Battery Care

To prolong battery life, avoid exposing the device to extreme temperatures. Charge the device fully when the battery is low. The Gear Fit2 uses a 200mAh battery, providing extended usage on a single charge.

7. TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. Connect it to the charging dock and allow it to charge for at least 30 minutes.
- **Cannot pair with smartphone:** Verify Bluetooth is enabled on both devices. Ensure the Samsung Gear app is installed and updated. Try restarting both the Gear Fit2 and your smartphone.
- **Inaccurate heart rate readings:** Ensure the sensor on the back of the device is clean and making good contact with your skin. Wear the band snugly but comfortably.
- **Notifications not appearing:** Check notification settings in the Samsung Gear app on your smartphone. Ensure the app has necessary permissions.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	6.42 x 2.72 x 3.62 inches
Item Weight	3.04 ounces
Model Number	SM-R3600DAAXAR
