INTRODUCTION

The Ultimate Ears ROLL 2 is an ultra-portable wireless Bluetooth speaker designed to provide big, bold sound for any adventure. Its durable and waterproof design allows it to accompany you wherever you go, even in wet environments. With its unique stretchy, attachable bungee, you can easily secure it to various objects, making it a versatile companion for your outdoor activities.

SETUP

What's in the Box

- UE ROLL Speaker
- Power Block
- Charging Cable
- Quick Start Guide

Initial Charging

Before first use, fully charge your UE ROLL 2 speaker. Connect the charging cable to the speaker's charging port and the power block, then plug it into a power outlet. A full charge takes approximately 5.5 hours.

Powering On and Bluetooth Pairing

1. Press the power button located on the back of the speaker to turn it on.
2. The Bluetooth indicator light will blink, indicating it's in pairing mode.

3. On your smartphone or tablet, go to Bluetooth settings and select "UE ROLL 2" from the list of available devices.
4. Once paired, the Bluetooth indicator light will glow solid.

For advanced controls and features, download the official UE ROLL app on your smartphone.

OPERATING INSTRUCTIONS

Volume Control

Adjust the volume directly on the speaker using the large '+' and '-' buttons prominently displayed on the front fabric. You can also control the volume from your connected device.

Waterproof Capabilities

The UE ROLL 2 is IPX7 rated, meaning it can be immersed in water up to 1 meter (3.3 feet) for up to 30 minutes. This makes it ideal for use by the pool, at the beach, or even attached to a kayak. Ensure the charging port flap is securely closed before exposing the speaker to water.

Attaching the Speaker

Utilize the integrated stretchy, marine-grade bungee cord on the back of the speaker to attach it to various items. This allows for flexible placement on backpacks, bikes, kayaks, or any other suitable object, ensuring your music goes wherever you do.

Battery Life

The UE ROLL 2 provides up to 9 hours of continuous playback on a single charge, depending on volume levels and usage. To check the battery level, press the '+' and '-' volume buttons simultaneously.

MAINTENANCE

Cleaning

To clean your UE ROLL 2, rinse it with fresh water after exposure to salt water or chlorinated water. Use a soft, damp cloth to wipe down the fabric and rubber surfaces. Do not use harsh chemicals or abrasive cleaners.

Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the charging port flap is closed to prevent dust and debris from entering.

TROUBLESHOOTING

No Power

- Ensure the speaker is fully charged.
- Verify the power button is pressed firmly.

Bluetooth Pairing Issues

- Make sure the speaker is in pairing mode (blinking Bluetooth light).
- Ensure your device's Bluetooth is enabled and within range (up to 20 meters).
- Forget "UE ROLL 2" from your device's Bluetooth list and try pairing again.
- Restart both the speaker and your device.

No Sound or Low Volume

- Check the volume levels on both the speaker and your connected device.
- Ensure the speaker is not muted.
- Verify the Bluetooth connection is stable.
