# Ohuhu Double Hammock with Stand Instruction Manual

Model: B01FS6UNWA

[Safety Information](#)   [Components](#)   [Setup Instructions](#)   [Operating](#)  
[Instructions](#)   [Maintenance](#)   [Troubleshooting](#)   [Specifications](#)   [Warranty & Support](#)

## 1. SAFETY INFORMATION

---

**WARNING: Maximum weight capacity is 450 lbs (204.12 kg). Exceeding this limit may result in injury or damage to the product.**

- Ensure the hammock stand is placed on a flat, stable surface to prevent tipping.
- Always securely anchor the hammock to the stand's hooks before use.
- Keep children away from the hammock and stand during assembly and ensure adult supervision during use.
- Inspect all components for damage or wear before each use. Do not use if any part is compromised.
- Do not jump into the hammock. Enter and exit carefully.

## 2. PACKAGE CONTENTS

---

Before assembly, verify that all components are present and undamaged. The package should include:

- Hammock fabric (Tropical color)
- Steel Hammock Stand components
- Detachable Head Pillow
- Portable Carrying Bag
- Assembly Hardware (hooks, bolts, caps)

### 3. SETUP INSTRUCTIONS

---

The Ohuhu Double Hammock with Stand is designed for quick and easy assembly, typically taking only a few minutes.

#### 3.1 Assembling the Steel Stand

1. Unpack all steel stand components from the carrying bag.
2. Connect the base bars to the central cross-section. Ensure all connections are firm.
3. Attach the upright support poles to each end of the base.
4. Insert the adjustable top poles into the upright supports. Secure them with the provided bolts. When tightening bolts, snug them until they touch, then turn an additional quarter turn to avoid overtightening and damaging

threads.

5. Place the non-slip plastic end caps on the feet of the stand and rubber top caps on the ends of the adjustable poles to prevent injury.

### 3.2 Attaching the Hammock

1. Unfold the hammock fabric.
2. Hook the hammock's rope loops onto the durable zinc-coated hooks located on the stand's adjustable poles.
3. Adjust the height of the hammock by selecting one of the 6 available holes on the stand's upright poles. This allows for precise customization of hammock tension and height.
4. Place the detachable head pillow onto the hammock for added comfort.

## 6 Adjustable Heights

## 4. OPERATING INSTRUCTIONS

---

The Ohuhu Double Hammock is designed for comfortable relaxation for up to two people, with a maximum weight capacity of 450 lbs.

- **Entering the Hammock:** Sit gently in the center of the hammock, distributing your weight evenly.
- **Relaxation:** The hammock's breathable polyester-cotton fabric provides lasting comfort. The detachable head pillow offers additional support.
- **Adjusting Height:** If the hammock feels too low or too taut, adjust the hooks to a different height setting on the stand's poles. There are 6 adjustable height options.
- **Placement:** This hammock is suitable for both indoor and outdoor use. Place it in your garden, on your deck, patio, balcony, or porch. No trees are required thanks to the sturdy stand.

## 5. MAINTENANCE

---

Proper care will extend the life of your Ohuhu Double Hammock with Stand.

- **Hammock Fabric:** The eco-friendly cotton and polyester fabric is machine washable. For best results, wash in cold water on a gentle cycle and air dry. Note that machine washing may cause the fabric to temporarily shrink, requiring re-stretching during the next use.
- **Steel Stand:** The stand is powder-coated for durability and rust resistance. Wipe clean with a damp cloth as needed. Avoid harsh chemicals that could damage the coating.
- **Storage:** When not in use for extended periods or during inclement weather, disassemble the hammock and stand and store them in the included portable carrying bag. Store in a dry place to prevent rust and mildew.

Image: The hammock and stand components neatly packed into the portable carrying bag for storage or transport.

## 6. TROUBLESHOOTING

- **Hammock feels too low or too tight:** Adjust the hammock to a different height setting on the stand's poles. There are 6 adjustable options to find your preferred tension and height.
- **Stand feels unstable:** Ensure all bolts are securely tightened (but not overtightened). Verify the stand is on a flat, level surface. Check that all non-slip feet caps are properly installed.
- **Ropes appear tangled:** Carefully untangle the hammock ropes before attaching to the stand. This is a common occurrence when unpacking or after storage.
- **Parts missing or damaged upon arrival:** Contact Ohuhu customer support immediately for assistance. Do not attempt to use the product with missing or damaged parts.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Ohuhu
Model	B01FS6UNWA
Material	Cotton (Hammock)
Color	Tropical
Hammock Dimensions (L x W)	150L x 200W Centimetres (approx. 4.9 x 6.5 ft)
