## KEY FEATURES

### FIA Certified Online Championships

Gran Turismo Sport features the world's first online championships certified by the FIA (Federation International Automobile). Players can represent their home country or favorite manufacturer in two sanctioned championships: the Nations Cup and the Manufacturers Cup. Participation requires an active internet connection and adherence to fair play guidelines.

### Vehicle Roster and Tracks

The game includes over 140 high-performance vehicles and 19 real-world and historic GT locations, offering 27 different layouts. These environments are designed to provide a realistic driving experience on the PlayStation 4 platform.

## TROUBLESHOOTING

### Game Not Launching

- Ensure the game disc is clean and free of scratches.
- Verify that your PlayStation 4 system software is up to date.
- Check for available game updates and install them.

### Online Connectivity Issues

- Confirm your PlayStation 4 has a stable internet connection.
- Check the PlayStation Network (PSN) status for any service outages.
- Restart your router and PlayStation 4 console.

### Performance Problems

- Ensure your PlayStation 4 has adequate ventilation to prevent overheating.
- Close any other applications running in the background on your console.

## MAINTENANCE

### Game Updates

Regularly check for and install game updates to ensure optimal performance, access new content, and benefit from bug fixes. Updates are typically downloaded automatically when your console is connected to the internet.

### Console Care

Keep your PlayStation 4 console in a clean, dust-free environment. Ensure proper airflow around the console to prevent overheating, which can affect game performance and console longevity.
