BestMassage BM-C66-Black

BestMassage Portable Massage Chair Instruction Manual

Model: BM-C66-Black

INTRODUCTION

This manual provides essential instructions for the safe and effective use, assembly, and maintenance of your BestMassage Portable Massage Chair. Please read this guide thoroughly before initial use and retain it for future reference.

SAFETY INFORMATION

Maximum Weight Capacity: 300 lbs. Do not exceed this limit to prevent damage to the chair and potential injury. Ensure the chair is placed on a stable, level surface before use. Always engage the quick-release lock system and verify the slip-free footing is secure. Follow all assembly instructions carefully to ensure proper setup and stability. This product is intended for adult use. Keep children and pets away from the chair during assembly and use.

PACKAGE CONTENTS

Verify that all components are present before assembly:

- Portable Massage Chair Frame
- Headrest Cushion
- Chest Pad
- Seat Cushion
- Knee Pads
- Carry Case

SETUP INSTRUCTIONS

The BestMassage Portable Massage Chair is designed for quick and tool-free assembly. All necessary accessories are

included in the carton.

1. Remove the chair from its carry case.
2. Unfold the main frame of the chair until it locks into an open position.
3. Attach the headrest cushion to the designated support bar. Ensure it is securely fastened with the screw knob.
4. Adjust the chest pad, seat cushion, and knee pads to your desired positions using the adjustment levers and knobs.

Assembly typically takes approximately 3 minutes.

OPERATING THE CHAIR

The BestMassage Portable Massage Chair offers multiple adjustable components to ensure comfort and proper positioning for various uses, including massage, tattoo work, and acupuncture.

- **Headrest Adjustment:** Loosen the knob on the headrest support bar to adjust its height and angle. Tighten the knob firmly once the desired position is achieved.
- **Chest Pad Adjustment:** The chest pad can be adjusted for height and angle to accommodate different body sizes and provide optimal support. Use the corresponding levers or knobs to make adjustments.
- **Seat Cushion Adjustment:** The seat height can be adjusted to ensure the user's comfort and proper alignment.
- **Knee Pad Adjustment:** Position the knee pads to support the lower legs comfortably, reducing strain during use.

Always ensure all adjustable parts are securely locked before a client uses the chair.

MAINTENANCE

To ensure the longevity and hygiene of your BestMassage Portable Massage Chair:

- **Cleaning:** The chair is wrapped in PU leather, making it waterproof and oil-proof. Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that could damage the upholstery.
- **Storage:** When not in use, fold the chair and store it in its provided carry case to protect it from dust and damage. Store in a cool, dry place.
- **Inspection:** Periodically check all nuts, bolts, and adjustment mechanisms to ensure they are secure. Tighten any loose components.

TROUBLESHOOTING

If you encounter any issues with your BestMassage Portable Massage Chair, please refer to the following common solutions:

- **Chair feels unstable:** Ensure all locking mechanisms are fully engaged and all adjustment knobs are tightened. Verify the chair is on a flat, stable surface.
- **Difficulty adjusting components:** Check for any obstructions or debris in the adjustment mechanisms. Ensure knobs are sufficiently loosened before attempting to adjust.
- **Missing parts:** If any parts were missing upon delivery, contact customer support immediately.
