

## Home-Complete HC-2302

# Home-Complete 5-Tier Wall-Mount Spice Rack Organizer

Model: HC-2302

## INTRODUCTION

---

The Home-Complete 5-Tier Wall-Mount Spice Rack Organizer (Model: HC-2302) is designed to provide an efficient and space-saving solution for organizing spices and other small kitchen items. This manual provides detailed instructions for assembly, installation, usage, and maintenance to ensure optimal performance and longevity of your spice rack.

## PRODUCT FEATURES

---

- **Space-Saving Design:** This wall-mount organizer is ideal for kitchens, pantries, or cabinets, helping to keep your spice collection neatly arranged and clutter-free.
- **Five Tiers:** Features 5 sturdy metal shelves capable of accommodating most standard spice jars and containers.
- **Durable Construction:** Made from robust metal with a black finish, ensuring stability and long-lasting use.
- **Versatile Use:** Suitable for storing herbs, spices, seasonings, and other small items.
- **Easy Installation:** Comes with necessary mounting screws for quick and straightforward attachment to a wall or cabinet door.

## SETUP AND INSTALLATION

---

Before beginning installation, ensure you have the following tools: a drill, a screwdriver, and a pencil. Choose a suitable location on a pantry wall or cabinet door that can support the weight of the rack and its contents.

1. **Position the Rack:** Hold the spice rack against the desired surface and use a pencil to mark the locations for the mounting screws. Ensure the rack is level before marking.
2. **Drill Pilot Holes:** Using a drill, create pilot holes at the marked locations. The size of the drill bit should be slightly smaller than the diameter of the mounting screws to ensure a secure fit.
3. **Secure the Rack:** Align the spice rack with the pilot holes and insert the provided mounting screws. Tighten the screws firmly with a screwdriver until the rack is securely attached to the wall or cabinet door. Do not overtighten.

*Note: If mounting to drywall without studs, use appropriate drywall anchors (not included) for added stability. If mounting to a cabinet door, ensure screws do not penetrate through to the other side of the door.*

Figure 2: Installation options: wall-mounted or over-the-door (over-the-door hooks not included).

## OPERATING INSTRUCTIONS

---

Once installed, the spice rack is ready for use. Simply place your spice jars and containers onto the shelves. The mesh design ensures visibility and prevents items from falling through.

- **Loading:** Distribute the weight evenly across the shelves. The baskets are designed to hold various sizes of spice jars.
- **Accessibility:** The open design allows for easy access to all your seasonings, making cooking more efficient.

## KEEP SPICES WITHIN REACH

Easy access while cooking

## MAINTENANCE

To keep your Home-Complete Spice Rack Organizer in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the rack with a soft, damp cloth and mild soap. Avoid abrasive cleaners or scouring pads that could damage the finish.
- **Drying:** Ensure the rack is thoroughly dry after cleaning to prevent rust, especially if it is exposed to moisture.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight and secure. Tighten if necessary.

## TROUBLESHOOTING

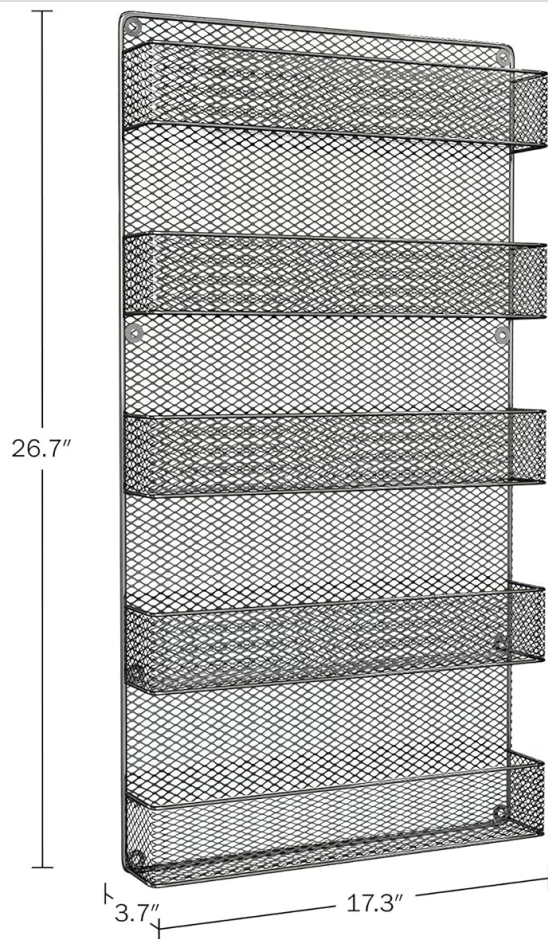

Problem	Possible Cause	Solution
---------	----------------	----------

<b>Problem</b>	<b>Possible Cause</b>	<b>Solution</b>
Rack feels unstable or wobbly.	Loose mounting screws or improper installation.	Ensure all mounting screws are tightened securely. If installed on drywall, verify that appropriate anchors were used and are holding firmly.
Items fall out of the baskets.	Baskets are overloaded or items are too tall/unstable.	Do not overload baskets. Place taller or less stable items in the top basket or against the back of the basket for better support.
Difficulty fitting large spice jars.	Jar dimensions exceed basket capacity.	The rack is designed for most standard spice jars. Larger or unusually shaped containers may not fit. Consider transferring contents to smaller, compatible jars.

## **SPECIFICATIONS**

---

<b>Attribute</b>	<b>Detail</b>
Model Number	HC-2302
Material	Metal
Color	Black
Dimensions (L x W x H)	17.3" x 3.7" x 26.7"
Number of Tiers	5
Mounting Type	Wall Mount
Assembly Required	Yes
Item Weight	2.99 Pounds
