SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- **WARNING:** To avoid injury, do not place your fingers between the tabletop and the base when adjusting the height.
- Always ensure the table is on a stable, level surface.
- Do not exceed the maximum weight limit of 40 kg (88 lb) to prevent tipping or damage.

PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included assembly guide for a

complete list and diagrams.

- Tabletop (1)
- Gas Lift Cylinder (1)
- Base Plate (1)
- Connecting Plate (for tabletop) (1)
- Height Adjustment Lever (1)
- Screws and Allen Wrench (for assembly)

SETUP AND ASSEMBLY

The Yaheetech Bar Table is designed for straightforward assembly. Follow these steps for proper setup:

1. Unpack all components and verify against the parts list.
2. Attach the connecting plate to the underside of the tabletop using the provided screws. Ensure it is centered and securely fastened.
3. Insert the gas lift cylinder into the center hole of the base plate. Ensure the black protective cap is removed from the top of the gas lift cylinder before proceeding.
4. Carefully place the tabletop (with the connecting plate attached) onto the top of the gas lift cylinder. The connecting plate should fit securely over the cylinder.
5. Attach the height adjustment lever to the mechanism on the underside of the tabletop, near the gas lift cylinder.
6. Confirm all connections are tight and the table is stable before use.

OPERATING INSTRUCTIONS

Height Adjustment

The table features a gas lift mechanism for easy height adjustment. To adjust the table height:

1. **To raise the table:** Lift the height adjustment lever while applying slight upward pressure on the tabletop. The table will automatically extend. Release the lever at the desired height.
2. **To lower the table:** Lift the height adjustment lever and apply downward pressure on the tabletop. The table will retract. Release the lever at the desired height. Note that significant downward pressure may be required to lower the table.

360° Swivel Tabletop

The tabletop is designed to swivel 360 degrees, providing convenient access from any angle. Simply rotate the tabletop manually to your desired position.

MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Bar Table, follow these maintenance guidelines:

- **Cleaning:** Wipe the tabletop and base with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Storage:** For convenient storage, the table can be disassembled into its main components. Store in a dry, cool place.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your Yaheetech Bar Table, refer to the following common solutions:

- **Table does not adjust height:**
 - Ensure the black protective cap has been removed from the top of the gas lift cylinder during assembly.
 - Verify the height adjustment lever is correctly installed and engaged with the gas lift mechanism.
 - For lowering, apply firm downward pressure on the tabletop while lifting the lever.
- **Table feels unstable or wobbly:**
 - Check that all screws connecting the tabletop to the connecting plate are securely tightened.
 - Ensure the gas lift cylinder is fully seated in the base plate.
 - Verify the table is placed on a flat, level surface.
- **Tabletop spins too easily or cannot be locked:**
 - The tabletop is designed for 360-degree swivel and does not feature a locking mechanism for rotation. This is a standard design feature.

SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Number	YT-1580
Product Dimensions (D x W x H)	23.6"D x 23.6"W x 27.5"-36"H (adjustable)
Item Weight	19.7 Pounds
Maximum Weight Recommendation	88 Pounds (40 kg)
Frame Material	Engineered Wood, Metal
Top Material Type	Engineered Wood
Base Material	Stainless Steel
Color	Black (top), Chrome (base)
Shape	Round
Furniture Base Movement	Swivel
Indoor/Outdoor Usage	Indoor
